UNITED AEROSPACE CORPORATION

Warehouse Clerk Position

Job Summary

We are seeking a motivated and detail oriented "All Around Warehouse Clerk" to join our dynamic team. In this role, you will be the backbone of our warehouse operations, ensuring smooth and efficient handling of inventory, shipments, and order fulfillment.

Responsibilities

- Prepare outgoing shipments by picking, packing, and labeling orders accurately for timely delivery
- Operate equipment such as pallet jacks, reach trucks, and forklifts to load and unload goods safely
- Stock shelves efficiently, ensuring proper organization for quick retrieval and inventory control

Skills

- Strong understanding of shipping & receiving procedures, order picking & packing, and inventory stocking
- Proficiency in operating reach trucks and pallet jacks
- Quality Control experience a plus
- Basic math skills for counting, measuring, and verifying quantities accurately
- Ability to perform physical tasks such as loading & unloading trucks, standing for extended periods, and lifting heavy items safely

Join us as a Warehouse Clerk to be part of a team dedicated to operational excellence! Your energy, attention to detail, and enthusiasm will drive our success forward while providing valuable experience in the Aviation industry.

Benefits:

- 401(k) and 401 (k) matching
- Health insurance
- Disability insurance
- Dental insurance
- Life insurance
- Vision insurance
