

ADVISORY & LEADERSHIP

Bearing 45 partners with business leaders, investors and founders to drive commercial impact in high-stakes moments of growth and innovation.

OUR IMPACT

Together, we tackle your toughest commercial challenges, led by senior expert consultants.

We partner with enterprise brands and consultancies, working side-by-side with you and your teams, decoding and clarifying your path forward to ensure internal buy-in and ownership. Our Partnership models are tailored to fit your business life cycle, identifying new opportunities or optimizing during times of change.
