

SUMMER READING FOR SECOND GRADE

Dear Families-

Welcome to the Summer Reading Challenge for Second Grade! This is a great way to encourage your child to read all summer long. We have tried to make it fun for the students and easy for the parents.

Each student is required to read and complete the activity listed in **EACH** square on the attached paper. Once your child has completed and colored in each square, a parent **must** sign the bottom of the paper. Please remember to **color the boxes neatly**.

When we return to school after summer vacation, your child is **required to return** the completed assignment to us. We will be using this as a grade once they return, so please be sure to work on this throughout the summer.

There is a lot of flexibility with this activity, allowing the students to choose books that interest them. Encourage your child to challenge themselves...try out those books that may be a little harder...they may surprise themselves!

Have a wonderful summer and enjoy some Summer Reading!!

God Bless,
Your Second Grade Team

Student Name: _____
