

Parents,

This year we will have some changes to the fee structure and the registration process for all Holy Family Sports. Holy Family is moving forward with a flat fee for each sport. This will be an 'a la cart' structure for each child, each sport, across the board. In addition, we will move to conducting registrations through Sports Pilot, an online service linked to CYO. Our old fee structure did not cover our total fees, was antiquated, complicated and our registration offered too many opportunities for errors.

Going forward, we will have the new fees starting with our upcoming fall registrations as well as going live with Sports Pilot, which will allow you to enter your own registration information and make payments.

NEW FEES FOR FALL SPORTS ARE AS FOLLOWS:

Flag Football-	\$85
Rookie Tackle Football-	\$130
Tackle Football-	\$165
Soccer-	\$100
Cheerleading-	\$75
Volleyball-	\$100
Cross Country-	\$50

These fees will cover the longer term cyclical costs like gym floor resurfacing, repairs, new uniforms; seasonal costs such as facility rental fees, equipment reconditioning, tournament entry fees, and most importantly the CYO team fees. In the 2017/18 sports season, we paid CYO over \$35,335 just to play in CYO leagues for all sports. In addition, we paid gym and field rental fees of \$6,135.

Registrations will open Monday, May 14th and go through June 1st at the following link:

Thank you for your understanding on this matter,
