GARAGE DOORS

Make a Statement.

Model 271 in Rosewood with Medium Plain Left Vertical Windows

REGENCY SERIES

Elevate your home's curb appeal with these elegant garage doors that offer the warmth of wood-inspired design with the lasting strength and low-maintenance of steel. Featuring triple layer construction, the insulation between two steel skins delivers exceptional durability, thermal efficiency, and noise reduction. Available in 18", 21" or 24" sections, choose from 9 standard colors or 11 wood tones to create the perfect fit for your home.

REGENCY SERIES

Engineered for Everyday Elegance

CONSTRUCTION

Two deep-drawn, tension-leveled, galvanized steel skins are polyester painted and wrapped around a one-pound density expanded polystyrene insulation board using a polyurethane adhesive. This construction method provides insulation value, durability, sound deadening qualities, and dent resistance for an all-around superior product.

Safe-Way warrants the sections of Regency models against rust through due to the paint finish cracking, checking, or peeling (losing adhesion) for (a) in single family residential installations for as long as the original purchaser owns the home; or (b) in all other residential installations (including commonly owned facilities by condominium associations or similar organizations) for a period often (10) years from the date of purchase by the original purchaser. If during the term of the warranty, the sections are determined to be defective, as verified upon inspection by person authorized by Safe-Way, Safe-Way will repair or replace any defective section when installed by qualified personnel in accordance with instructions from Safe-Way.
