Goals to discover the opportunities for Church Connected Sports Leagues in my area

1. Area Directors will identify what denominations in their area that align with FCA's Statement of Faith and Position Statements.
2. Area Directors will discover churches in their area that have facilities that are not utilized, underutilized, outdoor spaces, or school spaces in close proximity.
3. Area Directors will identify 3-5 churches to have conversations with by November 30, 2026
4. MAD will make appointments with key leaders from the Top 5 at discovered churches to present the possibility of working with FCA. Goal is to have 20 conversation by February 28, 2027 (for East Tennessee that would be 10 conversations)
5. From these 20 conversations we are trusting God to guide us to least 4 Church Connected Leagues across the state to begin by August 31, 2027 .
