

FIRST MESA ELEMENTARY SCHOOL
"Committed to Educational Excellence"

August 21, 2025

Dear Parents, Guardians, and Community Members,

Welcome to a new school year at **First Mesa Elementary School!** It is truly an honor to serve as your new principal, and I look forward to working together to create the best possible learning experience for our children.

At FMES, we believe that every child has great potential. With encouragement, guidance, and support, our students can achieve and grow in meaningful ways. We are committed to providing a safe, caring, and engaging environment where all children feel valued and inspired to learn.

We are blessed with a dedicated team of teachers and staff who work hard each day to nurture both the academic and personal growth of our students. Equally important is the partnership we share with parents, families, and our community. Together, we form a strong TEAM that surrounds our students with care, encouragement, and opportunities for success.

We are also proud to share that FMES recently received **Cognia Accreditation** affirming that our school meets high standards of quality and excellence in education. This recognition reflects the hard work of our staff and the support of our families and community.

As we begin this new school year, I encourage you to stay connected and involved. Whether by attending school events, volunteering, or simply talking with your child each day about their learning, your involvement makes a powerful difference.

Please know that my door is always open. I welcome our ideas, questions, and feedback as we work together to ensure this year is positive and successful for all of our children.

Thank you for trusting us with your children. I look forward to a year filled with learning, growth, and shared success.

With warm regards,

Lynn Fredericks
CSA/Principal
First Mesa Elementary School
