GROW WITH HEART

02

Small steps help us grow.

We use our HEART values as we try new things.

Happiness

I help myself and others feel included.

Empathy

I listen and think about how others feel.

Achievement

I try, practise and notice my progress.

Respect

I care for people, differences and places.

Trust

I am honest, dependable and ask for help.

Complete five experiences and a HEART reflection.

Use the record on page 14. Draw, write or tell an adult.

Your teacher will help you collect your award.

Welcome to Nigeria

Africa is a continent; Nigeria is one country.

Where are Nigeria and the UK?

What did you notice about places and everyday life?

DRAW • WRITE • TELL AN ADULT

One thing I discovered:

My question or idea:

Respect: What did I learn about others?

TUESDAY 04

Art, pattern and identity

Meet Nigerian artists, textiles or designers.

Look at the maker and story behind the work.

Make a response for Our World, Our Stories.

DRAW • WRITE • TELL AN ADULT

A pattern or idea I explored:

My question or idea:

Achievement: What new skill did I try?

WEDNESDAY 05

Drumming together

Listen, copy, create and perform rhythms.

Ask which musical tradition we are learning.

What helped our group play together?

DRAW • WRITE • TELL AN ADULT

My rhythm or favourite sound:

My question or idea:

Trust: How did we work together?

Stories, language, music and food

Watch a family video and explore other voices.

Which story, sound, word or ingredient stood out?

What did the video help you understand?

DRAW • WRITE • TELL AN ADULT

Something I learned:

My question or idea:

Empathy: How did I listen and learn?

Our stories, our school

Everyone has an identity and a story.

What would you want others to know about you?

How can we be curious, proud and welcoming?

DRAW • WRITE • TELL AN ADULT

Something that matters to me:

My question or idea:

Happiness: What helps everyone belong?

A small action can make a difference!

Our class chose something to improve.

I listened, shared an idea or helped make it happen.

Our class decided to:

DRAW • WRITE • TELL AN ADULT

This was my part:

Who did it help?

Empathy and Trust: How did I help?

Try art, music, a story or a performance.

What did you see or hear?

Make, perform or share something of your own.

I did this on: _____

My place / visitor: _____

DRAW • WRITE • TELL AN ADULT

My favourite part was:

Achievement: What did practice help me do?

Find a new way to learn outdoors.

Look closely. Try a challenge. Care for a place.

A walk, garden project or outdoor visit can count.

I did this on: _____

My place / visitor: _____

DRAW • WRITE • TELL AN ADULT

I noticed or tried:

Respect: How did I care for this place?

Try a new way to move your body.

Take part in a game, dance, sport or challenge.

Help everyone join in at their own level.

I did this on: _____

My place / visitor: _____

DRAW • WRITE • TELL AN ADULT

I got better at:

Empathy: How did I help someone join in?

Learn a skill for everyday life.

1. Choose a practical task with your teacher.

Prepare a simple snack safely with an adult,
choose shopping within a small budget,
or plan and make something useful.

2. Meet someone and find out about their work.

Ask: What do you do? Which skills help you?

My practical task: _____

The person / job: _____

DRAW • WRITE • TELL AN ADULT

_____

_____

I can now:

_____

One skill they use at work:

_____

Trust: How did I take responsibility?

Choose one experience you remember.

It can be a small moment that mattered to you.

Draw it or tell your teacher.

DRAW • WRITE • TELL AN ADULT

What did I try or learn?

Which HEART value did I use? What is my next step?

MY FIVE EXPERIENCES
