# MARCUS & SARAH'S MINISTRY REVIEW

## SUMMER UPDATE: CELEBRATING GOD'S FAITHFULNESS

### A Big Announcement!

Many of you may have already heard, but we're excited to share that we're expecting a baby!

Our due date is January 1, 2027, and we are overwhelmed with gratitude. The students' reaction when we shared the news at FCA Family Dinner was priceless. Thank you for your prayers, especially for Sarah as she navigates the joys (and challenges!) of pregnancy.

### FOUR YEARS OF PRAYER

I (Sarah) have known Ethan since his freshman year at Jupiter High School. Nearly every week after huddle, he would stick around and say, "Ms. Sarah, can you pray for me? I have a game," or "I have an exam." And nearly every week, we would pray together.

Now, watching him graduate is both exciting and surreal. Ethan genuinely loves the Lord and has built his life on the truth of the Gospel.

This year, he has impacted countless students through his FCA huddle, on the football field, and on the track team.

## ⚽ A Year of Growth

Reese graduated from Jupiter High this year and is a beautiful example of what happens when students get connected to Christian community.

Although she only began attending FCA this year, her faith grew tremendously. Reese is an outstanding athlete in soccer and flag football, but we're even more excited about the growth we've seen in her walk with Jesus.

## 📖 E3 Discipleship Wrapped Up

Our latest E3 discipleship group has officially finished, and what a special group we were blessed to host.

The students loved gathering together so much that they're talking about continuing Bible studies on Thursday nights. For now, each student is launching into a four-week Bible study challenge, putting into practice everything they've learned by discipling others.

## FCA Has a New Home

After years of doing ministry work from our home, our FCA office in the heart of Jupiter is officially set up!

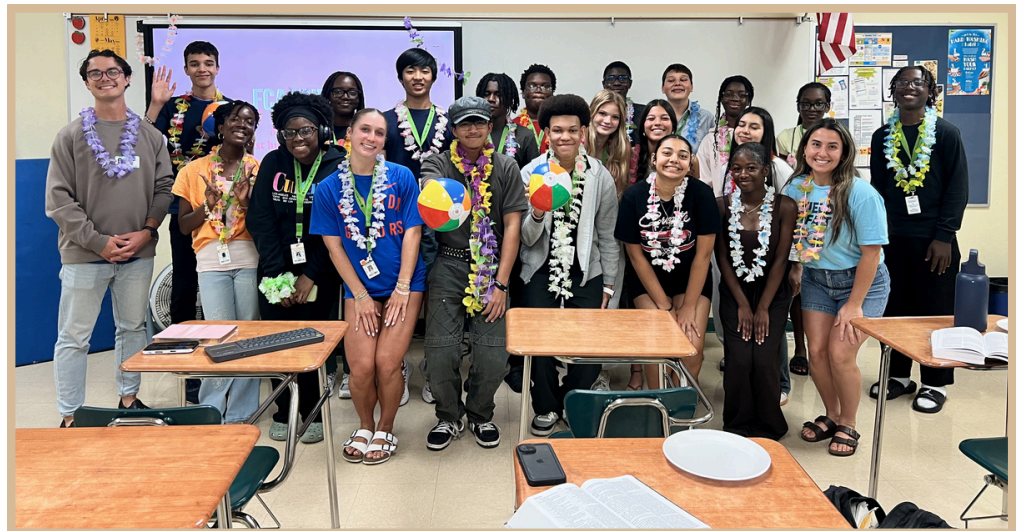

We're excited for this next chapter and would love for you to stop by and visit.

## CELEBRATING STUDENT LEADERS

Our FCA Huddle Leaders gathered for their final meeting before summer. Now we're looking forward to celebrating them with a summer party featuring bowling, ice cream sundaes, and plenty of fun. These students have worked hard all year to serve their campuses, and we're excited to honor them.

## Watching Students Cross the Finish Line

One of the greatest joys of ministry is walking with students all the way to graduation.

Jake and Hannah recently graduated from Jupiter High School, and it was such a blessing to celebrate with them at their graduation party. Both completed E3 discipleship and were deeply impacted by what they learned, the friendships they built, and the community they found through FCA.

## A Night of Identity & Calling

Thanks to the generosity of ministry partner Maria H., we were able to attend the Christ Fellowship Sisterhood event with Lily and Amaiya. It was a powerful evening as Pastor Julie spoke on identity and calling. Both students filled pages with notes, eagerly soaking in God's truth, and we ended the night together in prayer. We love getting to do life and ministry alongside these students.
