

PALM BEACH COUNTY

# MARCUS & SARAH MINISTRY REVIEW

Hello friends!

February has given us a front-row seat to both the global and local movement of God through FCA. From gathering with staff from around the world at FCA Realtime in Orlando to watching students boldly pray, lead, and open their Bibles right here in Palm Beach County, we've been reminded that the same Spirit moving across nations is moving in our schools. This month felt like a beautiful blend of vision and victory – seeing the bigger picture of what God is doing worldwide, while also witnessing transformation happening one student at a time.

## FCA REALTIME – A GLOBAL VISION

Every two years, FCA hosts an extraordinary global conference called FCA Realtime for staff and their families. This year it was held in Orlando, Florida (and in 2028 it will be in California!).

Marcus and I were incredibly blessed to attend. It was refreshing, encouraging, and deeply strengthening for us personally and spiritually. The testimonies shared of how God is using FCA to change lives were overwhelming in the best way.

We met FCA staff from all over the world – India, Ukraine, Russia, China, Africa, and many other nations. It was a powerful reminder that FCA is truly living out its mission to lead every coach, athlete, student, and family into a growing relationship with Jesus and His church – not just locally, but worldwide.

We came home renewed and even more grateful to serve in this ministry.

## GROWTH AND BREAKTHROUGH

Dwyer continues to be such a testimony of God’s faithfulness.

In one of the photos, you’ll see students praying and reading the Word together. A student leader is praying over another student — moments like these are happening regularly.

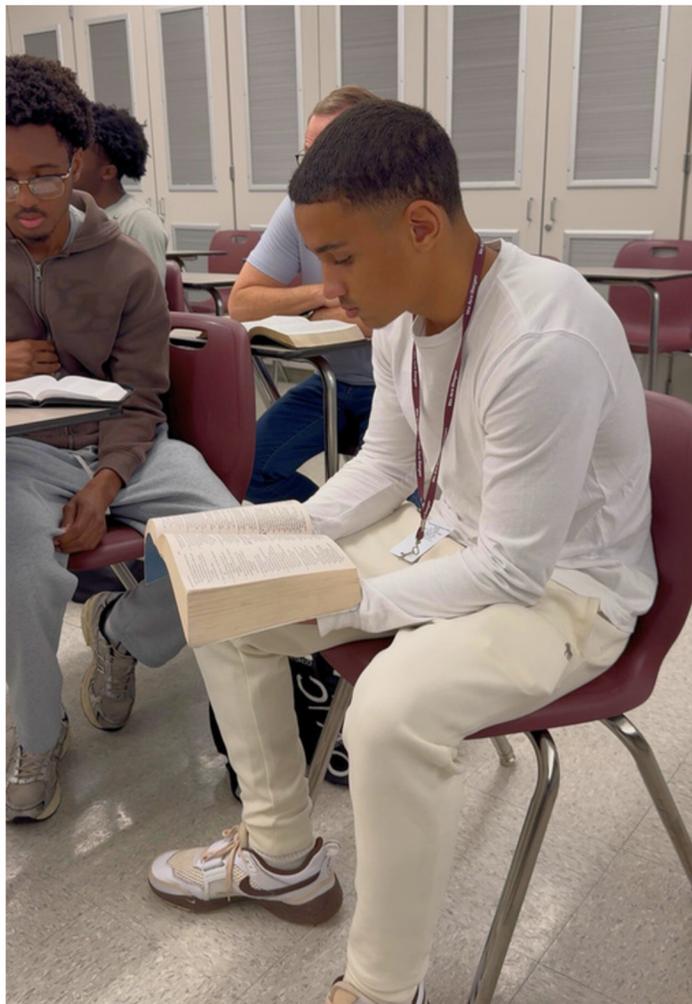

Dwyer was once the campus that needed the most prayer when we first began serving there. And now? God has truly flipped the script. It has become the campus with the most student leaders, and many students are currently going through our 8-week discipleship journey.

Recently, during second lunch, there had not been many girls attending. One of our student leaders began praying specifically for more girls to come.

And now? God is bringing new girls into the huddle.

We are witnessing answered prayer in real time.

Dwyer is growing — not just in numbers, but in depth.

## REAL CONVERSATIONS, REAL FAITH

Evans Jean continues to do an outstanding job leading at Gardens High School. The environment there is strong and healthy.

Conversations about real-life struggles and honest discussions about their walk with God are happening weekly. There is nothing more beautiful than looking around and seeing students quietly reading their Bibles during their lunch break. We are so grateful for Evans and the intentional leadership he brings to that campus.

## FCA MONTHLY FAMILY DINNER – COMMUNITY MATTERS

Every last Tuesday of the month, Marcus and I host an FCA Family Dinner at our home. This month, 25 students came over – and it was such a joy.

Students were connecting, laughing, forming new friendships, and simply enjoying being together outside of school walls. Community is forming in a real way.

We cater from Taylor Beach House in Hobe Sound, and the students love it (so do we). But more than the food, what stands out are the conversations – the depth, the laughter, the bonds forming.

These nights remind us that discipleship is not just about teaching – it's about shared life.

## BIBLES OPEN, HEARTS ENGAGED

At Jupiter Christian, students are bringing their Bibles and genuinely enjoying fellowship together. There is joy in the room and hunger for the Word.

Jay Sancraint, youth pastor at Generation Church, is doing a fantastic job leading these huddles. The consistency, depth of conversation, and engagement from students have been encouraging to watch.

There is something powerful about seeing students open Scripture during their free time and truly want to grow.

## Prayer Requests

As we move into the spring season, we ask for your continued prayers:

- For salvation – that students would truly understand and receive the love of Jesus.
- For our student leaders – that they would continue shining boldly and discipling others.
- For continued unity and growth across all campuses.
- For strength and wisdom as we steward what God is building.

Thank you for standing with us. Your prayers and generosity are fueling discipleship across Palm Beach County.

With gratitude and so much love,

Marcus & Sarah Loewen  
FCA Palm Beach County Area  
Representatives
