Dear FCA Palm Beach County Family,

As we continue to move through this spring season, I'm encouraged by the incredible momentum we're seeing across Palm Beach County. God is opening doors on campuses, raising up student leaders, and using coaches and volunteers to make a lasting impact in the lives of athletes.

From weekly huddles to clinics and special events, we are witnessing young men and women step forward in faith and leadership like never before. These moments remind us why we do what we do—to meet students where they are and point them to Jesus Christ.

We can't wait to share more about how incredible our Annual Clay Shoot was this year. It was a special day, and we are so grateful for each sponsor and participant who made it possible. Your support continues to fuel the mission in powerful ways.

Thank you for being a part of this mission. Your prayers, support, and encouragement are making a difference in ways that are truly eternal.

## Over 90 Athletes. One Powerful Day of Impact.

What an incredible experience it was to witness both the talent on display and the heart of our Palm Beach County high school coaches.

Coaches from across the area came together, not just for their own teams but to invest in and develop young athletes from other programs. That kind of unity is rare, and it’s exactly what makes FCA so impactful.

We were honored to have Jeremiah Washburn, Defensive Line Coach for the Philadelphia Eagles, join us for this free OL/DL Clinic. His energy and enthusiasm were contagious as he poured into these athletes, challenging them to grow both on and off the field.

-  **90+ ATHLETES REACHED AND EQUIPPED**
-  **LED BY JEREMIAH WASHBURN OF THE PHILADELPHIA EAGLES**
-  **NFL-LEVEL TRAINING AND MENTORSHIP DELIVERED**
-  **COACHES UNIFIED ACROSS PALM BEACH COUNTY**
-  **CHRIST-CENTERED ENCOURAGEMENT SHARED WITH EVERY ATHLETE**

“This is what FCA is all about—coaches coming together to pour into the next generation, not just as athletes, but as young men. Seeing the unity, the leadership, and the impact in one place is powerful.”

## Students Leading the Way

One of the most powerful moments from this year's 7 on 7 Clinics came during the final week not from a coach, but from a student.

Cohen Roach, a student from The Benjamin School, stepped forward and asked to lead the devotional for his peers. On a field full of athletes, he boldly shared and led, setting the tone for what FCA is truly about: students leading students.

This spring marked the 4th Annual FCA 7 on 7 Clinics, led by Tim Tharp, and it continues to grow in both size and impact.

- 14 Palm Beach County schools represented
- Reached full capacity with a waitlist
- 250 FCA shirts distributed to student-athletes
- 250 athletes heard the Gospel each week

Each player received an FCA shirt and more importantly, they are wearing them proudly on their campuses, representing faith, unity, and leadership.

## The Bigger Picture

Dan Burack, Head Football Coach at King's Academy, shared a powerful message from the Gospel of Luke on what it means to be a man, a Christian, and a champion challenging athletes to pursue excellence both on and off the field through a relationship with Jesus.

These clinics are about more than competition. They are about building leaders, strengthening character, and creating opportunities for the Gospel to be shared.

## Renewed and Ready

This February, the FCA Palm Beach County staff had the opportunity to attend the FCA RealTime Conference, a powerful time of renewal and encouragement.

Joined by over 2,500 FCA staff from around the world, we celebrated the impact being made through FCA and were reminded of the greater mission we are all part of. For over 71 years, FCA has been making a difference in the lives of coaches and athletes.

## Expanding Impact Through Partnership

This spring, FCA Palm Beach County continued to grow its partnership with the local football community through the WCFL.

Our team hosted a Coaches Lunch, where we had the opportunity to share the mission and heart of FCA with over 100 coaches, representing more than 800 families across the league. Now in our second year, this partnership continues to open doors to build relationships, serve coaches, and extend our reach into the community.

Tim Tharp invited coaches and leaders to get involved whether through volunteering, partnering, or coming alongside FCA PBC in new ways. The response was encouraging, with strong interest in joining the mission.

Our FCA team, Michael, Tim, Evans, and Kara are grateful for the opportunity to connect, serve, and share with WCFL on how FCA is making an impact both on and off the field.

## On Campus Impact: Faith in Action

Evans Jean brought the Word at Palm Beach Lakes High School, partnering with First Priority South Florida to encourage and challenge students in their faith.

It's always powerful to see students gather on campus to hear God's Word, pray together, and grow in their walk with Christ. Evans continues to faithfully invest in young leaders, helping them understand that their faith isn't just for Sundays, it's meant to shape how they live, lead, and influence others every day.

Moments like this are exactly why FCA exists: to meet students where they are and point them to Jesus.

Please continue praying for the students at Palm Beach Lakes and for leaders like Evans who are boldly stepping onto campuses to share the Gospel.

ATHLETES  
PALM BEACH COUNTY

PBA Ministry Fair was an incredible opportunity to connect with students from Palm Beach Atlantic University who are passionate about their faith and exploring how they can get involved with FCA. Throughout the event, meaningful conversations took place with students interested in growing as leaders, serving on campus, and even pursuing opportunities to join FCA staff and ministry long-term.

Moments like this are key to building the next generation of leaders who will impact coaches and athletes for Christ.

## Life Change on Campus

Cliff McCray continues to faithfully invest in students at Florida Atlantic University, meeting weekly to build relationships, study God's Word, and walk alongside athletes in their faith.

One powerful highlight, Cliff had the privilege of baptizing Mike Csaczar, a graduate assistant with the football program. Moments like this are a direct reflection of consistent discipleship and the impact of showing up week after week.

This is what it's all about, lives being transformed and students taking the next step in their relationship with Christ.
