

**FELLOWSHIP OF
CHRISTIAN
ATHLETES**
PALM BEACH COUNTY

Issue No. 01 | August 2025

Mission: To Lead Every Coach And Athlete to a
Growing Relationship with Jesus Christ and His Church.

Stepping into Full Time Ministry with FCA!

Exciting News + What's Ahead

Big News — I've Stepped Into Full-Time Ministry!

After years of seeing how sports can shape lives—and how faith can transform hearts—God has led me to serve in full-time ministry with *Fellowship of Christian Athletes* as an **Area Director in Palm Beach County**. I've worked with youth in sports and education both in the U.S. and abroad, and now I get to combine my love for athletics, youth development, and gospel outreach in a more intentional and impactful way.

My Vision for Western PBC

I'll be focusing especially on the western part of the county, developing outreach to underserved areas near **Lake Okeechobee**, the rapidly growing **Westlake** community, and unique athletic circles like **Wellington's** equestrian scene. FCA's mission is to help coaches and athletes grow in their relationship with Jesus—and I get to help lead that effort locally.

When I lived overseas, I realized how easy it is to lose sight of God when you're far from your routines and community. *That experience continues to fuel my passion to help athletes — whether local or visiting — stay spiritually grounded through intentional ministry.*

I'm currently building my ministry support team and would love the chance to personally share more about how you can partner with this mission and you can **support me today** by scanning the QR code below. I'll be reaching out soon!
