### FCA MAKING A DIFFERENCE: FAU FOOTBALL

Florida Atlantic University Head Football Coach Tom Herman is building a new culture within his team, making sure to include the ministry of FCA throughout the program. Meanwhile, God has provided Pastor Cliff McCray to serve as our FCA Ambassador, working with the coaches and athletes, and sharing the love of Jesus. Cliff, a former college football player at UCF, has already had an amazing impact on the football family. Cliff says, "Being at FAU has been life-giving as I have the joy of serving in the field I came to faith in. And

secondly, being at FAU has been eye-opening as I'm reminded that the harvest truly is plentiful as we reach Boca and beyond" We can't wait to see how God is going to use FCA moving forward!

### AREA HIGH SCHOOL TEAMS KICK-OFF THE SEASON TOGETHER

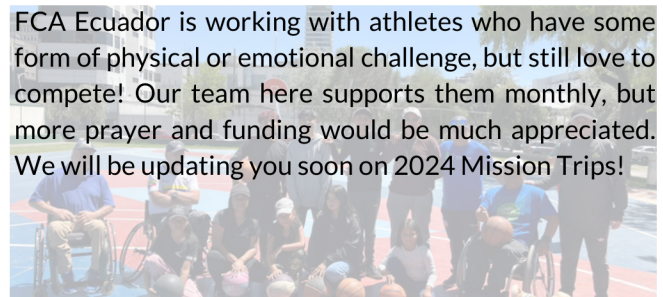

What an amazing way to kick off the Palm Beach County High School Football season! FCA brought together our area teams for a evening of great food, fun, fellowship and an inspiring message. In partnership with Christ Fellowship church, six local teams converged to hear Frank Reynoso share his story of growing up through adversity and discovering the love of Jesus along the way. As the evening concluded, 39 athletes made a decision to pursue a relationship with Jesus Christ!

*Frank Reynoso challenged our young men to live for Jesus, on and off the field*

### ECUADOR UPDATE

FCA Ecuador is working with athletes who have some form of physical or emotional challenge, but still love to compete! Our team here supports them monthly, but more prayer and funding would be much appreciated. We will be updating you soon on 2024 Mission Trips!

## FCA IS GROWING ON OUR COLLEGE CAMPUSES

FCA Area Representative, Ashleigh Holweger (pictured above left), is now serving on the FAU Campus full-time, helping establish new huddles and discipling athletes. She is also guiding an FCA leadership team at Palm Beach Atlantic (her alma mater) and their campus huddle now has over 50 students. We are so grateful to have Ash serving these campuses, and sharing her love for Jesus. She shares, "FCA is such a crucial part of the student-athletes walk with God while they are in college. Because it gives them a community

and space to learn about Christ and pursue a real relationship with Him". As Ashleigh continues to build the FCA ministry at FAU, we are also looking to expand into all sports.

*Thanks to board member Curt Brown, FCA provided a hot dog cookout at PBA's opening Soccer game.*

*FCA had a great turnout for our first pickleball tournament in Delray Beach- PBA verses FAU.*

## FCA: EQUIPPING STUDENTS TO MAKE DISCIPLES

We believe in order to reach every coach and athlete in our county, we need to train students to be disciple-makers. That's our gameplan as we meet each Sunday afternoon through November 19th at Christ Fellowship in PB Gardens. Our FCA "Student Leader Training" is designed to equip students to lead other students by giving them the Biblical foundation and simple skills to carry out the Great Commision Jesus gave us in Mathew 28:19-20.
