**Belle Center Pump Station Reconstruction Project**

**Project Advertisement:**

The Logan County Sewer District is advertising for sealed bids for the Belle Center Pump Station Reconstruction Project. Bids are to be received no later than 2/12/2026 at 11:00 am and the Logan County Board of Commissioners, 117 E. Columbus Ave. Bellefontaine, OH 43311. Bidding documents may be obtained through Choice One Engineering at [choiceoneengineering.com/projects-out-for-bid](http://choiceoneengineering.com/projects-out-for-bid)

**Project Scope:**

This project involves replacement of the existing pump station including the wet well, valve vault, pumps, piping, metering, remote telemetry, expanded electrical service, and an emergency standby diesel pump. The Sewer District does not anticipate any interruptions in service for its customers during this project.

**Project Funding:**

Project funding is through the Ohio Water Development Authority (OWDA)/Ohio EPA Division of Environmental Financial Assistance (DEFA) as part of the Water Pollution Control Loan Fund program. The estimated cost for this project is \$1.1M

**Project Schedule:**

The project is estimated to begin May 2026 and last approximately 9-12 months.
