Company Overview

Nick Favot Painting is a leading painting contractor based in Townsville, with over 30 years of experience in delivering superior painting and surface coating services to the commercial, industrial, and defence sectors. Our reputation is built on quality workmanship, reliability, and a commitment to delivering projects on time and within budget. We are fully licensed and insured, with a skilled team capable of handling large-scale, complex painting projects.

Core Services

- **Commercial & Industrial Painting:** We offer comprehensive interior and exterior painting services, specializing in high-end finishes for commercial buildings, retail spaces, hospitals, schools, and industrial facilities.
- **Defence Sector Projects:** Our team has the experience and security clearances necessary to meet the unique demands of the defence sector. We adhere to strict safety protocols and deliver results that meet the specific standards required for defence infrastructure.
- **Protective Coatings & Maintenance:** We provide specialized protective coatings for high-wear environments. We are the preferred painting contractor for ongoing maintenance works at several education facilities, including James Cook University, Holy Spirit School, Southern Cross Catholic College, Oonoonba State School, Aitkenvale State School, Townsville Grammar School. We are also the maintenance contractor for Carinity aged care and for Qld Stadiums (Cowboys). Nick Favot Painting Staff members are holders of Blue Cards (Working with Children) as well as annual police checks which allows our staff to perform paint works at schools, childcare centers, hospitals, and other government departments.
- **Project Management:** From planning to execution, we take a comprehensive approach to project management, ensuring seamless coordination with all stakeholders for smooth, efficient project delivery.

Why Choose Nick Favot Painting?

- **Experience:** Our proven track record in commercial projects sets us apart. We understand the importance of delivering consistent quality while meeting the rigorous demands of large-scale, high-security environments.
- **Compliance:** Nick Favot Painting has embodied the spirit of responsibility. Our management policies include a **Code of Business Conduct and Ethics Policy and a Social Sustainability Policy**. Both policies address equal employment opportunity for qualified applicants to pursue our goal of no harm to people. Our commitment to equal employment opportunities and the protection of human rights is best demonstrated by our historic Aboriginal & Islander employment.
- Occupational workplace health & safety issues are a main concern to our industry, part of our new employee induction program, relates to workplace health & safety issues both off and on site. In addition to our Employee's, each new project site is risk evaluated for workplace health & safety issues and risk assessments drawn.
- Our Quality Management System is designed to satisfy the requirements of AS3902 /ISO 9002 and Management and Staff alike, are fully committed to the successful implementation and maintenance of the system. Nick Favot painting also improves and progresses with current trade upgrade information, this commitment to improvement is reflected by the growth of our company.
- Our Environmental Management Plan (EMP) has been prepared by Nick Favot Painting and incorporates a site- based management plan (SBMP). The EMP follows "Best Practices" Scheme and will endeavour to cause minimal environmental damage.

Let Nick Favot Painting be your partner in delivering excellence for your next painting project.
