Our Service Guarantee

We are committed to service beyond expectation before, during, and after the service. If you are not 100% satisfied with any aspect of our services, we will make every effort to correct the situation. If we cannot correct it to your satisfaction, you will not be charged for that service item.

Complete Funeral and Cremation Packages

To make planning easier, we offer several burial and cremation packages. These packages provide a range of selections, options, and prices, and, most importantly, they allow you to devote more time to personalizing the service. Each package is designed to provide a complete ceremony, including both services and necessary merchandise. If you do not want one of these packages, you may choose the individual items listed in this General Price List.

Payment Policy

Losing someone you love is devastating and can be traumatic, and it can seriously affect one's judgment. We believe in the importance of recognizing and meaningfully celebrating a life that has been lived, and we will help you arrange an appropriate service to meet your individual needs. It is also important to be realistic about funeral expenditures.

Payment arrangements are due at the time of the arrangement conference. To avoid any misunderstanding and for your convenience, we accept the following methods of payment: **cash, check, credit or debit card, assignment of verifiable life insurance*, payment by a forwarding or receiving funeral home, or a prepaid funeral plan.** Please consult your funeral director with any questions or concerns.

> *** Insurance Assignments.** Proceeds from one or more insurance policies may be assigned to the funeral home in an amount sufficient to cover the cost of services. Our funeral home uses a third-party finance company, Express Funeral Funding®, to accept and verify assigned policies and to process and fund the services and merchandise selected. Express Funeral Funding® charges a fee equal to 5% of your total contract price for individual life insurance policies, and a variable percentage for group life insurance policies, paid to Express Funeral Funding® from the policy's benefit amount. We are unable to accept any policy that is within its contestable period (usually two years from the date the policy goes into force), or any policy deemed non-assignable by the company underwriting it.

Pre-Planning Assistance

We provide pre-planning assistance at no charge. You have the option of locking in today's prices and funding your funeral plan in advance, relieving your loved ones of these difficult decisions.
