From his first appearance after his election in May 2025,

Support the Works of the Holy Father through the

Peter's Pence Collection

Be a sign of hope.

Pope Leo XIV has called upon Catholics to live in peace

Throughout history, Catholics have shared Christ's mission with the world by proclaiming the Gospel and performing works of mercy that bring comfort to the poor and vulnerable. For centuries, Catholics have joined in these works by supporting the Peter's Pence Collection, which helps to fund the Holy Father's mission to proclaim Christ's message in the world. Our gifts to the collection are "concrete signs of hope" that fulfill the two aims of Peter's Pence: "1) To support the Holy Father's mission, which extends throughout the entire world, from the proclamation of the Gospel to the promotion of integral human development, education, peace, and brotherhood among peoples: thanks also to the many activities of service carried out by the dicasteries, bodies and organs of the Holy See that assist him every day; and 2) To support the numerous charitable works in aid of people and families in difficulty, populations afflicted by natural disasters and wars, or who are in need of humanitarian assistance or support for development."

For more information on Peter's Pence, please visit the Vatican's Peter's Pence website: *www.obolodisanpietro.va/en.html* (English) *or www.obolodisanpietro.va/es.html* (español).

REFLECTION

By Deacon Ezequiel Martinez

Sixteenth Sunday of Ordinary Time (Matthew 13:24-43)
The Parable of the Weeds in the Field

There are times in our lives where we need to be reminded of the realities that are out there. We attempt to live our lives as if there were no evil in the world and try to shelter ourselves and our families from this evilness. Take for instance the movie Sound of Freedom. In this movie, we are made aware of the evils of child trafficking.It's good to see this movie because we tend to fall into the old cliché of "out of sight, out of mind". Just because we don't see the evilness, it doesn't mean that it doesn't exist. It's an evilness that combines evildoers and those that cause others to sin.

Take for instance the parable of the weeds in the field. His disciples asked for an explanation of it. Jesus goes on to say that the good seeds are sown by Him. The seeds represent the children of the kingdom.However, there are also weeds within the wheat that grows and those weeds represent the children of the evil one.Jesus continues to explain that when the harvest comes, angels will separate the wheat from the weeds and then throw the weeds into the fire. Those thrown into the fire are not only the evildoers, but also the ones that cause other to sin.

My brothers and sisters, our sins might not be as grave and evil as those involved in child trafficking, but the reality is that we sin. The Bible tells us that if a person says that they do not sin, then they are liars.We all sin and its because of our sinful ways that we too can be seen as the weeds that grow amongst the wheat.As we see in the parable that Jesus explains, the weeds will be thrown into the fire. This could be our destiny if we don't repent of our sins and change our ways. Today is a good day to decide for yourselves. Will you be the wheat that Jesus has sown into the world or will you be the weeds that represent those who are evil and cause other to sin? The choice is yours.

XVI Domingo Ordinario (Mateo 13:24-43)
La Parábola de la Cizaña Sembrada en el Campo

Hay momentos en nuestras vidas en que necesitamos que nos recuerden de las realidades que existen. Intentamos vivir nuestras vidas como si no hubiera maldad en el mundo y tratamos de protegernos a nosotros y a nuestras familias de esta maldad. Tomemos, por ejemplo, la película Sound of Freedom. En esta película, somos conscientes de los males del tráfico de niños. Es bueno ver esta película porque al no reconocer que el mal existe, lo ignoramos. El hecho de que no veamos la maldad no significa que no exista. Es una maldad que combina los malvados los que inducen a otros al pecado.

Tomemos por ejemplo la parábola de la cizaña sembrada en el campo. Sus discípulos pidieron una explicación al respecto. Jesús continúa diciendo que las buenas semillas son sembradas por Él. Las semillas representan a los ciudadanos del Reino. Sin embargo, también hay cizaña dentro del trigo que crece y esa cizaña representa a los partidarios del maligno. Jesús continúa explicando que cuando llegue la cosecha, los ángeles separarán el trigo de la cizaña y luego arrojarán la cizaña al fuego. Los arrojados al fuego no son sólo los malvados, sino también los que inducen a otros al pecado.

Mis hermanos y hermanas, nuestros pecados pueden no ser tan graves y malvados como los involucrados en el tráfico de niños, pero la realidad es que pecamos. La Biblia nos dice que si una persona dice que no peca, entonces es mentirosa. Todos pecamos y es debido a nuestras formas pecaminosas que nosotros también podemos ser vistos como la cizaña que crece entre el trigo. Como vemos en la parábola que explica Jesús, la cizaña será arrojada al fuego. Este podría ser nuestro destino si no nos arrepentimos de nuestros pecados y cambiamos nuestros caminos. Hoy es un buen día para decidir por ustedes mismos. ¿Serás el trigo que Jesús ha sembrado en el mundo o serás la cizaña que representa a los que son malvados y los que inducen a otros al pecado? La decisión es tuya.

DID YOU KNOW?

What is Generative Artificial Intelligence?

Generative Artificial Intelligence is technology that allows a user to create new or alter existing images, videos, or text, based on user prompts or requests. It can be misused to create AI-generated child sexual abuse material, including sexually explicit or exploitative images that depict real children. According to the National Center for Missing and Exploited Children, this technology is being used to exploit children, particularly in the creation of GAI Child Sexual Abuse Material, often generated from images that have already been posted or shared online. In many cases, the offenders were people who knew the child victims well. For more information, visit https://www.missingkids.org/theissues/generative-ai.

¿SABÍA QUE?

¿Qué es la Inteligencia Artificial Generativa?

La Inteligencia Artificial Generativa (IAG) es una tecnología que permite al usuario crear o modificar imágenes, vídeos o textos nuevos, a partir de indicaciones o peticiones del usuario. Se puede utilizar indebidamente para crear material de abuso sexual infantil generado por IA, incluidas imágenes sexualmente explícitas o de explotación en las que aparecen niños reales. Según el Centro Nacional para Niños Desaparecidos y Explotados, esta tecnología se está utilizando para explotar a los niños, especialmente en la creación de material de abuso sexual infantil generado por IAG, que son creadas a partir de imágenes que ya se han publicado o compartido en el Internet.
