Ways to combat human trafficking
Human trafficking can happen anywhere and when we least expect it. Traffickers often focus on potential victims who are vulnerable, for example, if a child has an unstable or unsupportive home life. One way to take action is to eliminate vulnerabilities wherever possible. Another important aspect of cultivating a safe environment is to focus equally on children's interactions online and in person. Many predators use online sites to target victims as well. Children should know how to interact safely and to look for red flags. For more information, read the VIRTUS® article "Know the Facts: Abductions and Human Trafficking" at lacatholics.org/did-you-know.

¿SABÍA QUE?

Formas de combatir la trata de personas
La trata de personas puede ocurrir en cualquier lugar y cuando menos lo esperamos. Los traficantes suelen centrarse en víctimas potenciales que son vulnerables, por ejemplo, si un niño tiene una vida familiar insegura o sin apoyo. Una forma de actuar es eliminar las vulnerabilidades siempre que sea posible. Otro aspecto importante para crear un entorno seguro es centrarse por igual en las interacciones de los niños en línea y en persona. Muchos depredadores también utilizan sitios web para buscar víctimas. Los niños deben saber cómo interactuar de forma segura y estar atentos a las señales de alerta. Para más información, lea el artículo de VIRTUS® "Conozca los hechos: secuestros y trata de personas" (Know the Facts: Abductions and Human Trafficking) en lacatholics.org/did-you-know.
