Know the signs of potential abuse for vulnerable adults. Keeping children from harm is essential, but it is just as important to prioritize the protection of vulnerable adults. A vulnerable adult is someone who, due to a physical, mental, emotional, or behavior condition, may not be able to protect themselves from harm or exploitation. Warning signs of abuse can include injuries, signs of apparent malnutrition or dehydration, soiled clothing or bedding, anxiety, and unclean living conditions. By understanding the reality of vulnerable adult abuse, considering our own behavior, learning warning signs and communicating concerns – we can strive to protect other who may not be in a position to protect themselves. For more information, read the VIRTUS® article “Continuing Our Efforts to Protect Vulnerable Adults” at lacatholics.org/did-you-know.

¿SABÍA QUE?

Reconoce las señales de abuso potencial en adultos vulnerables. Proteger a los niños de cualquier daño es fundamental, pero es igual de importante dar prioridad a la protección de los adultos vulnerables. Los adultos vulnerables son aquellos que, debido a una condición física, mental, emocional o conductual, puede no ser capaz de protegerse a sí misma de cualquier daño o explotación. Las señales del maltrato pueden incluir lesiones, signos evidentes de desnutrición o deshidratación, ropa o sábanas sucias, condiciones de vida insalubres y ansiedad. Si comprendemos la realidad del maltrato a los adultos vulnerables, reflexionamos sobre nuestro propio comportamiento, aprendemos a reconocer las señales y comunicamos nuestras preocupaciones, podemos luchar por proteger a otras personas que quizá no estén en condiciones de protegerse a sí mismas. Para mayores informes lea el artículo de VIRTUS® “Continuing Our Efforts to Protect Vulnerable Adults” (Trabajando para proteger a los adultos vulnerables) en lacatholics.org/did-you-know.

Cardinal McIntyre Fund for Charity

May 16 - 17, 2026

The goal of the Cardinal McIntyre Fund for Charity is service to the “neediest of the needy,” those for whom no other resources exist. Provision of food, shelter, one-time assistance to families in crises: such as assistance with medical, funeral expenses, are appropriate as funds allow and as recommended by those who are familiar with the area/persons.

In other words, the “Fund” provides emergency help to persons who have nowhere else to go. The Fund is not a replacement or supplement for welfare or other forms of public assistance. It does not support persons’ living needs on a continuing basis. Rather the Fund acts to solve immediate, pressing problems. Food and milk for three days. Lodging for the night. Emergency medical care. Rent to tide over a financial crisis. A utility bill to keep the water or heat turned on for the week.

Fondo de Caridad del Cardenal McIntyre

El objetivo del Fondo Cardenal McIntyre para la Caridad es servir a los “más necesitados de entre los necesitados”: aquellas personas para las cuales no existen otros recursos. La provisión de alimentos y refugio, así como la asistencia puntual a familias en situación de crisis —tales como la ayuda con gastos médicos o funerarios—, se consideran acciones apropiadas, siempre y cuando los fondos lo permitan y sean recomendadas por personas familiarizadas con la zona o con los individuos en cuestión.

En otras palabras, el “Fondo” brinda ayuda de emergencia a aquellas personas que no tienen a dónde más acudir. El Fondo no pretende sustituir ni complementar los programas de bienestar social u otras formas de asistencia pública; tampoco cubre las necesidades básicas de subsistencia de las personas de manera continua. Por el contrario, el Fondo actúa para resolver problemas inmediatos y urgentes: alimentos y leche para tres días; alojamiento para pasar la noche; atención médica de emergencia; el pago del alquiler para superar una crisis financiera; o el pago de una factura de servicios públicos para mantener el suministro de agua o calefacción durante la semana.
