DID YOU KNOW?

Safety on the road this summer

Summer means more children are using paths and roads for biking, walking, and rolling. That is why the state of California started the "Protect Our Pedestrians. Protect Our Cyclists" education campaign. The campaign calls on drivers to slow down, look out for people of all ages who are biking and walking. One important way to stay safe is to teach children to put phones, headphones and devices down when crossing the street. For more information please visit: https://gosafelyca.org/share-the-road/.

¿SABÍA QUE?

Seguridad en los caminos para el verano

El verano supone que hay más niños utilizando los caminos y calles para ir en bicicleta, caminar y patinar. Por eso, el estado de California ha comenzado una campaña educativa "Protejamos a nuestros peatones. Protejamos a nuestros ciclistas." La campaña llama a los conductores a reducir la velocidad y a prestar atención a las personas de todas las edades que van en bicicleta o a pie. Una forma importante de garantizar la seguridad es enseñar a los niños a dejar a un lado los teléfonos, los audífonos y otros dispositivos cuando crucen la calle. Para obtener más información, visita: https://gosafelyca.org/share-the-road/.
