Second Collection

On June 24, 2026, two powerful earthquakes struck Venezuela approximately 100 miles west of Caracas, leaving behind widespread devastation and an unfolding humanitarian crisis. Entire neighborhoods have been reduced to rubble, homes and schools have collapsed, hospitals and essential infrastructure have been severely damaged, and thousands of families have been displaced. Rescue teams continue to search for survivors as aftershocks complicate recovery efforts, while countless families remain without safe shelter, clean water, food, medical care, or electricity. Even as the full extent of the destruction continues to emerge, the needs of the people of Venezuela are both urgent and overwhelming. We ask all parishioners to donate and support our brothers and sisters affected by this tragedy.

Protegiendo a los Niños de Dios 4.0 (Español)

La Arquidiócesis de Los Ángeles exige a todo el clero, personal, ya sea remunerado o voluntario, y a todos los voluntarios que trabajan con o cerca de niños, ancianos o personas con necesidades especiales que completen el programa inicial VIRTUS® Protegiendo a los Niños de Dios para Adultos ™, de tres horas de duración. Este programa ayuda al clero, personal, voluntarios y padres a comprender los hechos y mitos sobre el abuso sexual infantil, cómo los agresores manipulan a niños y jóvenes, y cómo ellos, como adultos responsables, pueden aprender e implementar el importante "Plan de Cinco Pasos" para Proteger a los Niños de Dios y así ayudar a prevenir el abuso sexual infantil.

REFLECTION

By Deacon Ezequiel Martinez

Fourteenth Sunday of Ordinary Time
Matthew 11:25-30

Have you ever wondered what a yoke is for? Yokes are usually used for agricultural purposes. They are meant to distribute the weight of a heavy load across the animals' necks and shoulders, forcing them to share the workload as they plow the land. The key word here is share. The animals tied to the yoke share the amount of work, making it an easier task for each one of them while still getting the job done. They have a goal set by their master, and they accomplish it together. Again, the key word is share, and in the Bible, Jesus uses a metaphor about the yoke to teach us about sharing our workload, both physical and spiritual, with Him.

In today's Gospel reading, we witness Jesus' compassion towards all of us. He knows that life is not easy, and He knows it firsthand. Jesus became man, without losing His divinity, and knows exactly how difficult life can be. He calls all who labor and are burdened to go to Him so that He can offer us rest. He invites us to carry His yoke and learn from Him. It is in His yoke that we will find rest because we share it with Him. His yoke is not like the agricultural type, but instead, it is easy, and His burden is light.

My brothers and sisters, in this difficult world, where everything seems nonstop, there is an opportunity for us to find rest in everything we do. That rest that we so desperately seek and desire can be found in Jesus. Look to Jesus and listen to His desire. He wants us to work together and share our pain and suffering with Him. Allow Him to help you with your heavy load. Trust in Him and take His yoke, and without realizing it, you will notice that your workload isn't as heavy as before. As you carry His yoke, you will start to notice that you are resting. Life is still tough, but not as difficult as it once was. It is then that you will believe that Jesus was right all along. His yoke is easy, and His burden is light.

XIV Domingo Ordinario
Mateo 11:25-30

¿Alguna vez te has preguntado para qué sirve un yugo? Los yugos se utilizan normalmente con fines agrícolas. Están hechos para distribuir el peso de una carga pesada sobre el cuello y los hombros de los animales, obligándolos a compartir el trabajo mientras aran la tierra. La palabra clave aquí es compartir. Los animales unidos al yugo comparten la cantidad de trabajo, haciendo que la tarea sea más fácil para cada uno de ellos, mientras siguen logrando el objetivo. Tienen una meta establecida por su amo y la cumplen juntos. Una vez más, la palabra clave es compartir y, en la Biblia, Jesús utiliza una metáfora sobre el yugo para enseñarnos a compartir nuestra carga de trabajo, tanto física como espiritual, con Él.

En el Evangelio de hoy, somos testigos de la compasión que Jesús tiene por todos nosotros. Él sabe que la vida no es fácil, y lo sabe de primera mano. Jesús se hizo hombre, sin dejar de ser Dios, y sabe exactamente lo difícil que puede llegar a ser la vida. Él llama a todos los que están fatigados y agobiados por la carga para que vayan a Él, y así poder ofrecerles alivio. Nos invita a tomar su yugo y aprender de Él. Es en su yugo donde encontraremos descanso, porque lo compartimos con Él. Su yugo no es como el yugo agrícola; al contrario, es suave y su carga, ligera.

Hermanos y hermanas, en este mundo tan difícil, donde todo parece no detenerse nunca, existe una oportunidad para encontrar descanso en todo lo que hacemos. Ese descanso que tanto buscamos y anhelamos se encuentra en Jesús. Vuelve tu mirada a Jesús y escucha su deseo. Él quiere que trabajemos junto con Él y que compartamos con Él nuestro dolor y nuestro sufrimiento. Permítele ayudarte con tu pesada carga. Confía en Él y toma Su yugo y, sin darte cuenta, comenzarás a notar que tu carga ya no es tan pesada como antes. A medida que lleves Su yugo, empezarás a darte cuenta de que estás descansando. La vida sigue siendo difícil, pero ya no tanto como antes. Será entonces cuando creerás que Jesús tenía razón desde el principio al decir que Su yugo es suave y Su carga ligera.

DID YOU KNOW?

What is grooming?

Child safety experts consider grooming a core component of sexual abuse. Grooming is a manipulative process in which a person who intends harm gains access to a child, often through behaviors that seem innocent, and builds up a relationship that will ultimately allow the predator to abuse the child. Children who are groomed are slowly taught to accept and excuse any behaviors by the predator, because of the relationship that has been built up over time. A predator relies on manipulation to reduce a child's resistance and to maintain secrecy. For more information on grooming, read the VIRTUS® article "Behind the Smile: Uncovering the Warning Signs of Grooming, Part 1" at lacatholics.org/did-you-know.

¿SABÍA QUE?

¿Qué es el grooming?

Los expertos en seguridad infantil consideran que el "grooming" o engaño que violan límites personales es un componente fundamental del abuso sexual. El "grooming" es un proceso manipulador en el que una persona con intenciones maliciosas se gana la confianza de un niño mediante comportamientos que parecen inocentes y establece una relación que permitirá al depredador abusar del niño. A los niños que son víctimas del "grooming" se les va enseñando poco a poco a aceptar y justificar cualquier comportamiento del depredador, debido a la relación que se ha ido construyendo con el tiempo. El depredador recurre a la manipulación para reducir la resistencia del niño y mantener el secreto. Para mayores informes lea el artículo de VIRTUS® "Behind the Smile: Uncovering the Warning Signs of Grooming, Part 1" (Detrás de la sonrisa: cómo detectar las señales del "grooming", parte 1) en lacatholics.org/did-you-know.
