Frequently Asked Questions

1. How do I apply for a unit?
To apply, visit our office with a valid form of ID and a check or money order for the holding fee. Our property managers will help you with the application and answer any questions about the process.

2. What is a holding fee?
A holding fee "holds" the unit while your application is processed and paperwork is completed. Once approved, the holding fee will be converted into your security deposit. All holding fees are equal to one month's rent and are due at the time of application.

3. Do I need to be a student to rent?
You do not. While many of our residents are students, all units are open to anyone who meets the application requirements. Non-student applicants will need to provide a $30 application fee along with the holding fee at the time of application.

4. When do leases start and end?
All leases for this schedule start at noon on August 12, 2027, and end at noon on July 22, 2028.

5. Can I live with roommates?
Yes! Many of our properties are perfect for shared living. Each person must apply separately. At the end of the lease, the security deposit is refunded to only one tenant. It's the tenants' responsibility to split it.

6. What forms of payment do you accept?
In the office, we accept checks and money orders for holding and application fees. After you've moved in, all rent payments can be made quickly and securely through your online tenant portal.

7. How do I submit a maintenance request?
Maintenance requests can be submitted through our online portal or, in the event of an emergency, by calling our office. Our maintenance team works quickly to keep your space in great condition.

8. Are pets allowed?
These properties are pet-free and do not allow animals. However, service animals and approved emotional support animals (ESAs) are permitted in accordance with fair housing regulations.

9. Can I tour a property before applying?
We don't offer in-person tours, but most units on our website include detailed photos and information to help you get a clear idea of the space. You're always welcome to visit our office to speak with a property manager, view photos, and learn more about available units.
Please note: Photos are representative of unit layouts and finishes. Individual units may vary.
