

**No money,
no problem!!
Time = Money**

We use your time as currency.

Sometimes it may happen that you don't have money in your pocket and you can't go into a bar to have breakfast. No problem, no one here will turn you away. Have breakfast and relax, without rushing. Come in, you are welcome, whatever happens.

When you are finished you can pay for breakfast with your time. Yes, you understood correctly, you pay with a few hours of your time that you want to dedicate inside our casa, for example you can wash the dishes, help us in the kitchen or do what you do best. Time is also invaluable.

Here only idiots and sly people have zero tolerance.
