Bali Badminton Camp 2025 (December) – Indonesia

Hello, best badminton player!

Are you ready to finish your year experiencing training in one of the world's strongest badminton nations?

This December's badminton trip to Indonesia is a two-week camp that welcomes adult and junior players of all levels who want to take their badminton to the next level, meet international players, and take part in an international tournament.

It's the first time we're arranging a combined badminton camp and tournament, and whether you're coming alone, with your doubles partner, or with badminton friends, this will be an unforgettable experience and a memory for life, both on and off the court.

INDONESIA The world's strongest badminton nation

Indonesia is among the most prominent badminton nations in the world, and their players are known for their fast and technical style of play. Badminton is considered part of the national identity, which has given it popularity that few other countries can compare with.

They've had tremendous success in all major championships throughout the years. To name one example, Indonesia has won medals in every Olympic Games since badminton became an official Olympic sport in 1992. The only years without gold medals were in 2012 and 2024.

This is, of course, an incredible achievement!

Given the country's extensive knowledge and method of producing world-class players, this result comes as no surprise. In Indonesia, you will always find incredibly competent coaches who are genuine and passionate about the sport, which is one of the main contributing factors to the great success of its players.

WHY A BADMINTON CAMP IN INDONESIA?

Thirteen years ago, Toni, the founder of Smashtravel, was looking for new ways to elevate his badminton game. On a friend's advice, he joined a professional club in Jakarta, Indonesia, where he stayed for six months. The combination of Indonesian coaching and sparring partners significantly improved his game, and this unforgettable experience still holds a very special place in his heart.

This transformative journey laid the foundation of Bali Badminton Camp, with its aim to provide players around the world with the opportunity to not only visit but also take part in an Indonesian badminton training environment, creating lasting memories.

In July 2025, Smashtravel organized its third annual summer camp in Bali, attracting more than 30 players from fifteen different countries. Encouraged by the overwhelmingly positive feedback, support, and the influx of new camp inquiries, we are excited to announce the opening of registrations for the first-ever “winter camp” in Bali, combining both a training camp and an international tournament this December.

CAMP INFORMATION

Bali Badminton Camp offers **40 hours of badminton training**, with 20 scheduled sessions over two weeks at a local badminton center in Denpasar, Bali.

The camp runs from **December 13–25**, and the tournament between **December 26-30**.

We aim to attract [competitive players of all ages, both juniors and adults/seniors](#).

Head Coach Hendra, together with four assistant coaches, will oversee all training sessions, focusing on continuous improvement in each participant's key areas and preparing every player for the closing tournament at the end of the trip.

During the weekdays, we'll spend most of the time at the badminton hall practicing with fellow camp participants. Between and after sessions, we take the opportunity to relax and refuel with healthy meals to maintain our energy levels for the next session. Breakfast will be served in the cafeteria at our accommodation from Monday to Sunday.

On weekends, we'll take a well-deserved break from badminton to recharge ourselves, a perfect time to explore Bali and its rich culture and traditions.

If parents would like to accompany their child and enjoy a relaxing vacation, additional rooms can be booked at our accommodation. Simply let us know if you'd like to join!

TRAVEL AND ACCOMMODATION

We recommend that all participants arrive in Bali on Saturday, December 13, to simplify airport pick-up arrangements and hotel drop-offs, and to ensure you have time to settle in before the badminton camp begins on Monday, December 15. We believe it's important to have at least one full day to adjust and get comfortable with the weather and humid conditions in Bali, so arriving on Saturday will help you feel well-rested and ready for the camp activities ahead.

The travel duration varies based on your departure country. For those coming from Europe, expect one or two transits on your way to Bali. On the flight, you'll be served meals, such as breakfast, lunch, and dinner. Long-haul flights also come with in-flight entertainment, featuring a TV for movies, games, and music.

Upon landing, we first navigate ourselves through the immigration checkpoints, where travelers must present a valid 30-day Tourist Visa (physical or digital) to enter Indonesia. However, each of us will obtain this visa before traveling to Bali. After finishing immigration checks, we'll collect luggage's and go through customs.

Outside the airport, our transportation awaits taking us on a 45-minute drive to our hotel in Denpasar, conveniently located just a mere 10-minute walk from the badminton hall. Once we arrive at the hotel, we settle into our rooms, complete with comfy beds, Wi-Fi internet, air conditioning, toilets, and showers.

On Sunday, December 14, we'll kick off our adventure with a welcome dinner in the evening. This will be a great opportunity for everyone to connect, get to know each other, and set the plannings for the two exciting weeks ahead.

TRAINING SCHEDULE

Starting Monday, December 15, training for the junior group runs from 08:00–10:00, followed by the adult group from 10:00–12:00. In the afternoon, the juniors train from 14:00–16:00, and the adults from 16:00–18:00.

Tuesday follows the same schedule as Monday, with both morning and afternoon sessions for the juniors and adults.

On Wednesday, there will be a beach agility session in the morning for both groups. Afterward, we head straight to the hall for one hour of technical training. The afternoon is dedicated to some well-deserved rest.

Thursday morning features regular training, while Thursday evening includes a match session for intermediate players and above.

Friday's final sessions take place at the badminton hall from 08:00–10:00 and 10:00–12:00, followed by an evening of matches for beginners, advanced beginners, and intermediate players.

On Saturday, there will be an additional session available for those who wish to train extra.

This training schedule will remain the same for two weeks, ending on Thursday night, December 25, unless minor adjustments are made. On the morning of December 26, tournament participants will travel by car or minivan to the tournament venue located in Singaraja, North Bali, approximately 3–3.5 hours from Denpasar. We will stay together at accommodation close to the venue until the tournament concludes or until participants finish their matches. After the tournament, we will return to Denpasar.

Flights home should be scheduled to depart from Bali on Saturday, December 31.

POCKET MONEY

The official currency in Indonesia is the Indonesian Rupiah (IDR). It's recommended to have some pocket money before your travels. While cards are widely accepted for most expenses, having cash on hand is also advisable, especially during outdoor activities.

INSURANCE

Make sure you check your insurance to find out what coverage you have before traveling abroad, as well as your personal health insurance in case of an accident, as participation in the camp is at one's own risk.

VACCINATIONS AND MEDICAL CARE

What is recommended for all travelers to Indonesia is a vaccination against Hepatitis A. Though, it may also be a wise idea to review your basic coverage to see if any additional vaccinations might be needed.

If anything happens unexpectedly during camp, the nearest hospital ([Penta Medica Clinic](#)) is just 5 minutes away from the hall and accommodation. However, staying safe and healthy is our top priority. We do this by maintaining a good diet and fluid balance throughout the trip.

Please note that the last day to register your interest is December 1, 2025. For those who want to be sure of a camp spot, please register as soon as possible. Your registration will most likely encourage more players to register. Registration is not binding (only after payment).
