PRACTICAL INFORMATION

## **Welcome to Smashtravel Hanekyu Open 2026!**

Welcome to the inaugural Smashtravel Hanekyu Open. For the first time, we are hosting an international tournament in connection with our signature camp, Smashtravel Camp in Sweden (Trollhättan). This year's event brings together 51 players from 10 nations and for two days of badminton in Trollhättan. Our goal is to provide a well-organized tournament with quality matches, a positive atmosphere, and an opportunity for players from different countries and backgrounds to meet through badminton. We wish everyone a successful tournament and an enjoyable weekend.

We would like to share some important information:

- The tournament is expected to run from 9:30 AM to 8:00 PM on Sunday and approximately 10:00 AM to 4:00 PM on Monday. However, adjustments may be necessary, so we recommend that you stay updated.
- Individual players' match schedules may be adjusted right up until the start of the tournament.
- During the tournament, we recommend using the "NEXT MATCH", and "SEARCH PLAYER" features (called "NESTE KAMP" and "SØK SPILLER" in the Norwegian software). It provides a good indication of how the schedule is progressing and helps you keep track of timing. We reserve the right to start matches in the order that is most practical to ensure the smoothest and most efficient running of the tournament. Therefore; if you are due to play within the next 14 matches; please do not leave the hall.
- We will do our best to ensure that all players receive at least 15 minutes of rest between their matches.
- Everyone is expected to help with scorekeeping. During the group stages, the winner of a match must keep score for the next match on that court. During the knockout stages, the loser of a match must keep score for the next match on that court. If you are due to play shortly and are unable to keep score, please arrange for someone else to do so on your behalf.

We wish everyone the best of luck and hope you have a fantastic tournament!

Toni Holm Lovén
