

Annual Christmas Nativity Play

St. Peters has traditionally re-enacted the Nativity Story at the Children's Mass on Christmas Eve 12/24/25 at the 4:00 pm mass. To help me plan for this, please complete and return the form no later than November 19, 2025. The parish absolutely loves the children's play. There are no speaking parts besides the Narrator. We have costumes. You must be able to practice before the event. We try to give everyone the part they request. Please know that sometimes you will not get what you requested. Please be understanding as parts are limited. Please contact Brandi with any questions.
