Taking the Lowest Place

In today's Gospel reading, Jesus was watching to see where the people sat when they were guests at a dinner. Some people thought they were important so they sat in the more important places. Jesus saw that they were proud, so He taught them about being humble.

When we are proud we think that we are more important than other people, and that we deserve to have better things. We start to look down on everyone else, and pretty soon we start thinking that God isn't so great either!

Being humble means knowing that we really are not all that important, even if we are better at some things than other people or have more money or more important jobs. It means we know that God gave us these things to help others, not so that we could be proud about them.

Luke 14:1,7-14

We can only give glory to God when we are humble.

Answers: front page: God is exalted by the humble.

True or False: How to be Humble

What did Jesus say? Some of these are true and some aren't. Can you figure out which is which?

1. If you know that you are an important guest then you should sit in the place of honour. True or False?
2. If you go to a wedding feast and sit in a place of honour, someone more important might come and you will have to move to a lower place. True or False?
3. If you sit in a lower place, then the one who invited you will tell you to sit in a more important place and you will be honoured. True or False?
4. Everyone who exalts himself will be humbled and everyone who humbles himself will be exalted. True or False?
5. When you have a dinner, you should invite the most important people so that they will invite you back. True or False?
