

## Hints for Online Booking

The website works best on a device with a larger screen, example Laptop for tablet. It will work with cell phones, but some of the features may not function as well.

Go to [www.40milepark.ca](http://www.40milepark.ca), scroll to the bottom of the home page and click on “BOOK YOUR STAY AT 40 MILE PARK TODAY”.

Please note, we have a 30-day maximum booking limit. Message stating 180 days maximum stay and the advance booking cut-off date is inaccurate.

Individuals are able to only book one (1) site per attempt.

Fill in the criteria as requested. (Ex. Length of stay, unit type).

Click on “START SEARCH”

When searching for an available site and its dimensions, click on the green dot at each site. It will provide several features of that site (Ex. Approximate length and width). It is up to the person booking the site to ensure the dimensions will suit their needs.

Note: Paradise Point sites do not have either power or sewer. If you select 15-amp or 30-amp power as a criteria, the sites will appear with red dots, however they may still be available for booking without any amenities you will have to unselect 15-amp or 30-amp to book these if available.

You can also select a site using the “Site Availability Grid” option. This only shows lots that are available.

When selecting a site using the “Site Map” option, the only colours of significance are the dots and the color of seasonal sites, which is indicated in the map legend. The other colours in the sites (ex. Yellow in Area H, or purple in Area B) are not significant.

When selecting sites, look for green dots. Red dots indicate that the site is unavailable based on dates or criteria selected. Yellow dots indicate an alternate choice.

Once you have selected a site, click on “Reserve”.

Fill out all required information. NOTE: Please ensure that the email address provided is correct as the confirmation number will be sent once your order has been processed.

Proceed to “CHECKOUT” and once again fill out all required fields and process your payment.
