By [Sydney Sadick](#) | May 1, 2017

A star-studded crowd turned out on Friday night to celebrate the first anniversary of The Blond at 11 Howard. Models **Joan Smalls** (wearing Giambattista Valli) and **Jordan Barrett**, along with *V Magazine*, hosted the spring fling, which quickly became a late night dance (and selfie-taking) party with some of fashion's most beautiful people, ranging from models to celebrities to industry insiders, and more. **Rita Ora**, **Kylie Jenner**, **Paris Jackson**, **Hailey Baldwin**, **Doutzen Kroes**, **Mario Testino**, **Delilah Belle**, **Derek Blasberg**, **Presley Gerber**, **Miles McMillan**, **Zachary Quinto**, **Sebastian Faena**, **Ebonee Davis**, and **Hair Nef** were just a few who joined. **DJ Yung Taco** played while Jenner and Baldwin, who are pals of his, were spotted dancing alongside him in the DJ booth.

"It's been a really amazing year," said **Angelo Bianchi**, co-creative director of The Blond. "We just wanted to celebrate and have a great time with all of our friends and everyone who has helped make The Blond a special place."
