

## **SMS Texting Privacy Policy and terms of service**

**Effective Date: August 13, 2025**

### **1. DATA SECURITY and INFORMATION HANDLING**

First Management Inc. is committed to protecting the security of your personal information. We implement industry-standard security measures to safeguard your data against unauthorized access, use, or disclosure. However, it is also your responsibility to protect the confidentiality of your account information and any passwords associated with your use of our services.

You agree to notify First Management Inc. immediately of any unauthorized use of your account or any other security breach. First Management Inc. will not be liable for any loss or damage arising from your failure to protect your account or personal information adequately. By using our services, you acknowledge and accept that no data transmission over the Internet or mobile networks can be guaranteed to be 100% secure, and therefore, you use our services at your own risk.

### **2. PRIVACY POLICY**

First Management Inc. collects personal information from you when you interact with our services, including when you sign up, make purchases, or communicate with us via text messages. The types of information we collect may include your name, contact details, payment information, and any other information you voluntarily provide.

We use this information to provide, maintain, and improve our services, process transactions, communicate with you, and comply with legal obligations. Your information may be shared with trusted third-party service providers solely for the purpose of operating our business and fulfilling our commitments to you. We do not sell, rent, or share your personal data with third parties for marketing purposes.

You have the right to access, correct, or delete your personal information at any time, and we are committed to handling your data in a secure and transparent manner.

### **3. DATA PROTECTION**

First Management Inc. takes the security of your personal information very seriously. We employ industry-standard security measures, including encryption and secure servers, to protect your data from unauthorized access, alteration, disclosure, or destruction. We continuously monitor our systems to ensure your information is safe and secure, and we are committed to maintaining the highest levels of data protection to safeguard your privacy.
