Drug and Alcohol Awareness

Description of Heath Risks Associated with Alcohol

Alcohol consumption causes a number or marked change in behavior. Even low doses significantly impair the judgement and coordination required to drive a car safely. Low to moderate doses of alcohol may cause marked impairments to higher mental functions severely altering a person's ability to learn and remember information. Extremely high doses may cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdraw symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol

withdrawal can be life threatening. Long term consumption of large quantities of alcohol particularly when combined with poor nutrition, can also lead to permanent damage to your organs, such as your brain and liver. Mother who drinks alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. Research has indicated the children with alcoholic parents are at greater risk of becoming alcoholics than other children.

The Building Emergency Plan establishes the procedure for all students/ employees in the case an emergency should occur at Michigan College of Beauty. This plan is simple and should be followed by staff students in the building to ensure a safe evacuation from the building.

4. If the fire is small, use the portable extinguisher located nearest to the incident in the building. These are all purpose extinguishers.
5. If the fire is large, and time permits, shut down all electrical appliances and equipment. Close all exterior doors as you exit but DO NOT lock them.
6. Exit the building and move to the far side of the parking lot, Sidewalk near Waterford Village Plaza sign, so the person in charge can confirm that everyone has exited the building safely. Definitions for Crimes

(Defined by the FBI Uniform Crime Report)

1. **CRIMINAL HOMICIDE:** These offenses are separated into two categories: Murder Non-Negligent Manslaughter and Negligent Manslaughter.
 - A) Murder and Non-Negligent Manslaughter: The willful (non-negligent) killing of one human being by another.
 - B) Negligent Manslaughter: Killing of another person through gross negligence.

2. **SEXUAL ASSAULT:** An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR program.
3. **FORCIBLE SEX OFFENSES:** Any sexual act directed against another person, forcibly and/or against the person's will; not forcibly or against the person's will when the victim is incapable of giving consent. There are four types of forcible sex offenses:
 - Forcible Rape - The penetration, no matter how slight, of the vagina, or anus with any body part, or object, or oral penetration by a sex organ of another person without consent of the victim including instances where the victim is incapable of giving consent because of his or her age or because of his or her temporary or permanent mental incapacity.
 - Forcible Sodomy - Oral or anal sexual intercourse with another person, forcibly and or against the person's will.
 - Sexual Assault with an Object - The use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against the person's will including instances where the victim is incapable of giving consent because of his or her age or because of his or her temporary or permanent mental incapacity.
 - Forcible Fondling - The touching of the private parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his or her age or because of his or her temporary or permanent mental incapacity.
 - NON-FORCIBLE SEX OFFENSES: Unlawful, non-forcible sexual intercourse. There are two types of offenses included in this definition:
 - Incest - Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - Statutory Rape - A non-forcible sexual intercourse with a person who is under the statutory age of consent.
4. **CONSENT:** Consent is a voluntary agreement to engage in sexual activity. The absence of "no" is not consent. Silence or an absence of resistance does not imply consent. A verbalized "yes" that is coerced does not constitute a freely given "yes". Individuals who consent to sex must be able to understand what they are doing. A person may not be able to give consent if: they are under the age of 16, if they are legally mentally incapable, mentally incapacitated, or physically helpless. This may include impairment due to drug or alcohol use. Someone who is incapacitated cannot consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity. Consent to one form of sexual activity does not imply consent to any other forms of sexual activity. Previous relationships or prior consent does not imply consent to further sexual acts. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent.
5. **BYSTANDER INTERVENTION:** The term bystander intervention refers to safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene in situations of potential harm when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the individual. Effective bystander intervention training prepares participants to recognize situations of potential harm, overcome barriers to intervening, identify safe and effective intervention options, and take action.
6. **ROBBERY:** Taking or attempting to take anything of value from the care, custody or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.
7. **AGGRAVATED ASSAULT:** An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.
8. **BURGLARY:** The unlawful entry of a structure to commit a felony or theft.
9. **MOTOR VEHICLE THEFT:** Motor Vehicle Theft includes the theft or attempted theft of a motor vehicle.

10. **ARSON:** Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property or another, etc.
11. **HATE CRIMES:** A hate crime is a criminal offense committed against a person or property which is motivated in whole or in part by the offender's bias. Bias is a performed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, sexual orientation, or ethnicity/national origin.
- **LARCENY/THEFT:** The unlawful taking, carrying, leading, or riding away of property from the possession, or constructive possession of another.
 - **SIMPLE ASSAULT:** An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.
 - **INTIMIDATION:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.
 - **DESTRUCTION/DAMAGE/VANDALISM OF PROPERTY:** To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control of it.
