FEATURE PRODUCT!

LAMB OF GOD 7G DRIED FLOWER

THC: 33% TERPS: 5%

This isn't your average Sunday service - this is a call to awaken your senses. For our Feature Product of the Month, we are shining spotlight on Headstone Cannabis and their signature sativa masterpiece, Lamb of God. Bred entirely in-house by the Miller Brothers, this heavy-hitting strain crosses the iconic legacy genetic Lamb's Bread and the fan-favourite Super Lemon Haze. The result is a spiritual sativa that redefines the daytime smoke, delivering an intense, euphoric elevation and a non-slop cerebral lift with razor-sharp focus. This is a high that awakens and inspires rather than numbing you out, making it the perfect companion for anyone chasing a creative, purpose-driven buzz.

The flower itself is a work of art, boasting frosted lime-green buds with a loose structure haloes in vibrant orange pistils. On the inhale, it smacks the palate with a divine wane of electric citrus, sharp lemon rind, spicy pine, and what can only be described as holy gas. True to Headstone's craft philosophy, every batch is precision-grown in hydroponic rockwool, then meticulously hand-dried, cold-cured, and hand-trimmed to preserve its crystal-coated trichomes. Dropped in a generous 7g format that rolls easy and rips smooth, it leaves behind an aroma that smells like a sermon lit on fire. For the stoners who keep the faith and roll deep, this is your new holy grail.
