Annette Barton, daughter of Aletha Jones

Your comments about our staff: SUPER EXCEPTIONAL. Very well organized and yet had a very personal touch from all of your staff.

Would you refer us to others? Yes. We are already doing so by emphasizing to everyone around us how effortless you made this process at time of prearranging, as well as when the actual need of using this service became a reality. We got to admit that we were a bit leery of what the outcome would be and the price was so reasonable. You actually outperformed a more prominent funeral establishment in Camp Hill who was charging considerably more and not as detailed in their performance at funeral service arrangement time, nor at the actual funeral service. Our family has used this more prominent funeral director in the past for several family members and we note CONSIDERABLE shortcomings to their services. They operated as a business. You operated with a human connection and still with such organization to make the day truly special. Thank You!
