

5-Star Google review was received from Mr. Bill Eisley, a son of the late Mrs. Ruth Eisley, who is survived by six children. Services were arranged by Mark Strobel via our Milton funeral home. Her funeral was held two days after the passing of Mark's mother. John Katora and Liam Tomsic stepped in for Mark and directed the services at church for Mrs. Eisley.

They were very caring, thoughtful, thorough, and well organized. Highly recommended.

Mark noted that one of the daughters and her husband met with Mark after the funeral to pre-plan for themselves. The daughter commented, "They were so pleased with how well everything went with her mother's service that they wanted to make sure that we were the funeral home to take care of their final arrangements."

Sandra L. Blackwell for Gladys M. Yeager

Your comments about our staff: Your staff is the best around in the area. They are very caring and understanding and go above and beyond to help families during that difficult time. In 2009, I lost my Mother, and that was definitely the hardest thing I had to face in my life, and never having to be the person to make all arrangements and decisions about a funeral, your staff was there to help make it somewhat easier. Now, with the loss of my Father, things went a little easier making his arrangements. Thank you again.

Would you refer us to others?: I would absolutely recommend you to others because of all the services you provide, all the caring, understanding and compassion you show to the person(s) (families), while helping them make the right decisions about the perfect arrangements for their loved one. Thank you again, for everything in helping me with all the arrangements I needed to make for my parents (within a short period of time between them), because losing them both that quickly, was really difficult. Thanks again!!!
