

# OABGC ENDOWMENT FUND

Gifting **GREAT FUTURES**

**Dear Friend of the Orrville Area Boys & Girls Club,**

**At the Orrville Area Boys & Girls Club, we believe every child deserves a safe, supportive place to grow, learn and thrive. By contributing to our Endowment Campaign, you are making an enduring impact—providing stability, opportunity and hope for generations to come. Your gift ensures that we can continue to offer life-changing programs, mentorship and a positive environment for the youth in our community.**

**Join us in building a legacy of support, because when we invest in our children, we invest in a brighter future for everyone.**

**Please help the Orrville Area Boys & Girls Club not only change a life but save lives for years to come by giving to our endowment fund.**

**Help us make OABGC a place to be known and valued for every child.**

*With the sale of our family business, Smith Dairy/SmithFoods, our families want to leave a legacy in the community that reflects the values of our family. Orrville Area Boys and Girls Club (OABGC) immediately came to mind as we have a long standing history with OABGC through our grandparents John and Kathryn Schmid, parents Walter and Mary Esther Schmid, and Smith Dairy/SmithFoods. The family and business have supported the OABGC through financial and product donations, sponsorships, and volunteering. In light of this history, we find it fitting to extend our support with our donation to help build an endowment fund designed to provide on-going yearly financial support for the club.*

*We value the support and opportunities the OABGC provides for families and youth. Before and after school programming, various sport and academic programs, leadership development, mentoring and club jobs provide many avenues for youth to discover and develop abilities and become contributing members of their families, the Orrville area communities and beyond.*

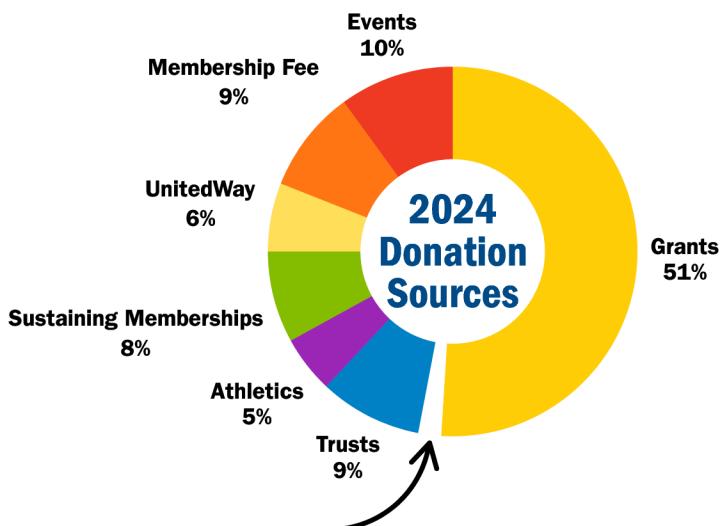

*With this donation we say thank you to the many adults and youth who have worked at the family-owned Smith Dairy/SmithFoods to provide quality products and service and to the many customers who have purchased and valued the products. We anticipate that this gift will continue to benefit children and families in the Orrville area for generations to come.*
