**Benefiting Your Employees | Improving Your Bottom Line**

## ABOUT US:

At RedWood Financial Group, we are passionate about serving our clients, developing our associates, and giving back to our community. We are committed to the highest standards of excellence, and work to provide opportunities, and support that allows our clients to grow, improve, and achieve their ultimate potential. We strive to make a difference for our clients' businesses through innovative solutions to their insurance needs.

### What is the Attentive Program?

The Attentive Program is an innovative **employee benefits program** that gives employers the ability to add benefits at **no cost** to their organization.

The program creates **tax savings** for employers and their employees, which provides them with money to purchase additional insurance benefits.

### Financial Wins

On average, Attentive generates about **\$600** per employee per year in **FICA Savings**, which goes back to an employer's bottom line.

This program is **no cost** to employers or their employees; and causes no disruption to any coverages currently offered in their benefits package.

### What benefits are included?

The baseline program includes a suite of benefits that focus on the overall health and wellbeing of employees.

- Telemedicine
- Employee Assistance Programs
- Addiction Recovery Programs
- Mayo Clinic Programs
- And many more...!

### All with **\$0 copays!**

In addition, employees can choose from insurance options without lowering their take-home pay.

- Disability Insurance
- Accident Insurance
- Critical Illness/Cancer Insurance
