# OUR DATA WORK: POWERING THE SYSTEM

Data Management & Reporting · Housing Forward

## WHAT DMR OWNS

- **HMIS System Administration**  
ClientTrack configuration, user access, and change control
- **Data Governance**  
Standards, policies, compliance, and CoC P&P
- **Training & Agency Support**  
Provider onboarding, education, and ongoing support
- **Reporting & Analysis**  
HUD submissions, PIT/HIC, SPMs, and community data

## INITIATIVES DRIVING RESULTS

- 1 Data Quality Governance**  
Provider accountability through evaluation cycles and improvement plans
- 2 Cross-Sector Data Sharing**  
Connecting non-HMIS partners to the coordinated response system
- 3 Strategy to End Unsheltered Homelessness**  
5th consecutive PIT decrease;  
HMIS data drives precision decision-making

*"Connecting data, policy, and operations – so our community can act faster, smarter, and with greater impact."*
