Trust. Transform. Together.

Journey in Faith Frequently Asked Questions

Question: Should I register in the parish where I will attend weekend Mass?

Answer: St Anthony Church is not closing; therefore, we request that you not enroll at another parish. You can attend weekend Mass at any other Church and remain a parishioner of St Anthony Parish. Your donations to St Anthony Church will continue to support the church for weekday Masses, funerals, weddings and other sacraments. St Anthony Church will continue to offer faith formation programs, community building events, and honor commitments to serve others (i.e.: financially support St Montfort in Haiti, provide food and resources to support those in need within our community, and host events for organizations like the Knights of Columbus and St. Vincent DePaul).

Question: How can I be assured that my donations stay with St Anthony Church?

Answer: An envelope marked with "St Anthony Church" placed in a collection basket at any church will be deposited into the St Anthony bank account. You can also mail your donation to St Anthony Church, 1870 St. Ambrose Street, Dubuque 52001 or enroll in Electronic Fund Transfer (EFT) to donate to St Anthony Church. Please contact the parish office to enroll. We wish to thank the parishioners who have recently increased their donations and/or given an additional gift to ensure St Anthony Church remains financially secure.

The St Anthony staff is available to answer any questions that you may have. Feel free to contact us at (563) 588-0571. Please continue to pray for each other, our pastorate and our priests.
