News from our Master Birder

Ray Webb

On May 10, our group enjoyed barbecue and a boat ride at Snook Haven Restaurant in Venice. The weather, food and entertainment were good.

Hope you enjoy the pictures from this trip.

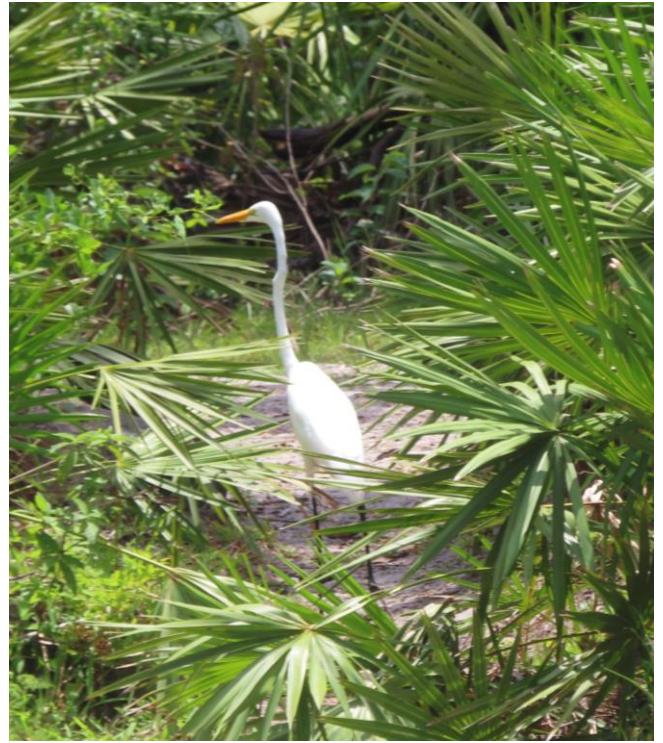

Future summer trips include another boat ride, with Latitudes Tours in Ruskin, on June 16, and a visit to the Tampa History Museum on July 11. Plans to visit Mote Marine Lab and Aquarium in August are underway.

Great Egret

He won't find me in here!

That gator is in the water, and you want me to get into that little thing??

Hey Egret, come up here with us vultures, that gator can't climb.

Ooooh, Lunch time

It's safe on the boat.

This is fun, think I'll take a swim, OR NOT!

Sure is fun, I could do this all day long!

Oh, what big eyes you have!

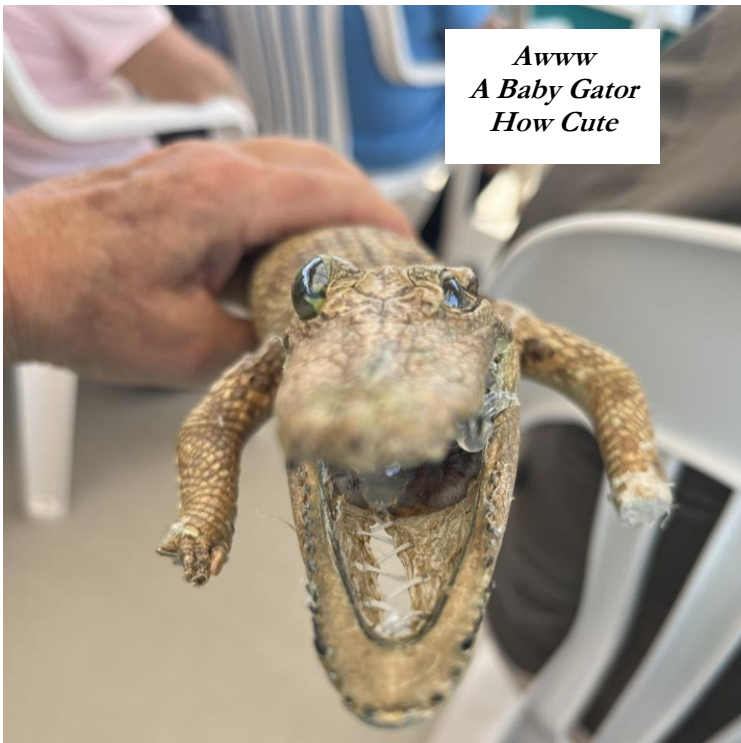

Did you see how long his nose is? That is a big gator.
