Museum of Arts and Crafts - Tuesday, July 19, 2022

Since it's too hot outside to enjoy nature and birdwatching, we move indoors this month to the beautiful new Museum of the American Arts and Crafts Movement in St. Petersburg. There, we will explore displays featuring furniture, pottery, tiles, lighting, textiles, photography, fine arts, woodblocks, metalwork and period room installations all from 1890-1930s. The recently completed five-story building is also an architectural treasure. The fee for this trip is \$20. per person. Please bring the \$20. in cash when we meet, and give this to the trip leader, Linda Floyd. The museum wants one single payment.

We are limited to the first 20 people to register. You must sign up for this trip here on our website at www.sccaudubonclub.com

We will meet in the parking lot at Community Hall, 1910 South Pebble Beach Blvd., at 9:15 AM on July 19, and carpool to the museum for a 50-minute docent-led tour of the museum. You can lunch at the beautiful onsite cafe or explore one of the many places in St. Pete. There is parking at the museum (\$1. per hour, credit card only), You can check out the museum's website (<https://museumaacm.org/index.html>).

Wednesday August 17, 2022***

For our August trip, we will visit Mote Marine Laboratory, to take a 2-hour cruise sponsored by Sarasota Bay Explorers. We will have a marine biologist on board, who will help us to identify marine life captured in a trawl net. We will also have the opportunity to explore on foot a small uninhabited island. Throughout the cruise we will enjoy the manatees, dolphins, and other wildlife we encounter.

We will be on a 45-foot canopied pontoon boat, with comfortable seating, rest rooms and available snacks and beverages. The cost is \$35. per person. You should prepare a check to the order of SCC Audubon Club, and mail it to:

Ms. Jo Ann Wilkinson
