TESTIMONIALS

"You are an absolute marvel!"

Your presentation was so fascinating, so touching, and so deeply moving at times that you kept a group of senior citizens deeply enthralled for the entire one hour presentation. That is remarkable and a great testament to your artistry. You're great. Thank you for your memorable performance. -Bob Nifan, President (SJV Seniors)

BRAVO! I have never seen a less than wonderful performance, but your telling of the Romanovs was simply spectacular. The ladies were blown away and several had tears from your telling of this family's story. Thank you as always for such a special evening. It was a treat and a treasure. -M. Alfano (Annandale, NJ)

What an outstanding performance! That was the consensus of members of your audience last night. Your presence, diction, and researched stories were most appealing to our members. I thoroughly enjoyed meeting you live and in person. Whether you are Aliza or Alisa, you are quite charming and adorable. You certainly represent historical character with your zest for performance. This former teacher rates you A+. Thank You for working with us. - Jeanette Belz, Program Chair
