GW FRIENDS PRESENTS

2026 MEMBER APPRECIATION NIGHT

WITH OUR FEATURED MUSICAL ENTERTAINMENT,

STELLA CRISPO

**MONDAY, JUNE 22 at 7:15PM
in the GW TOWNE CENTRE BALLROOM**

Stella Crispo's career has taken her from performing in high-profile bands to recording jingles to appearing in off-Broadway's 'Tony 'n' Tina's Wedding.' She has performed at venues like B.B. King's and Newark, NJ's Performing Arts Center several times and sings regularly throughout the New York City area. Stella is also a performer of the National Anthem at Prudential Center in Newark, NJ. Songwriting started at an early age when Stella wrote her first song, 'Come Sail Away With Me,' with a middle school friend. She continued writing throughout high school and

college. Invited by an agent in Brescia, Italy to participate in the San Remo Music Festival, Stella received rave reviews for her original song 'Dream Come True' that took her through to the finals and landed her among the top remaining contestants which is unheard of for a competition that was solely for Italian music. Stella's talent, heart, drive and dedication are what have touched her audiences until now and what will continue to attract audiences in her future.
