### **A SNEAK PEEK AT OUR NEXT UPCOMING EVENTS:**

Our speaker for the meeting on **January 5** will be Minerva Salerno. She is a “light hearted spiritual, mystic since I was 10 years old. I have been gifted by the higher power (God) with the following:

- Reiki certified (energy healing)
- Guide to help souls move on to the light
- Empath (feel emotions and feelings from others)

I have other gifts gifted to me from the higher power.”

Minerva will be sharing her stories on how she connects with souls that are earthbound and need to be brought to the light along with some other stories. She will also do a brief Reiki on each attendee.

**February 2** meeting Bob Fausak, will be speaking about his experiences. “ I never believed in Psychics or Mediums but then I met someone who changed my mind. Elizabeth Lerner formerly of Waretown, NJ. We met in the 1990’s during my work as a Detective with the Manalapan Twp. Police department. I will be discussing THREE times Elizabeth helped me out with certain investigations.”
