

JAY RESPLER

I invite you meet me in person, or email to discuss any issues.

JRespler@GWMonroe.net

Dawson Lane

ACHIEVEMENTS:

- I am THE candidate with a proven track record of accomplishments in helping residents.
- I cut expenses by moving to reduce the un-approved amount that management can spend from \$50,000.00 to \$5000.
- I created a Phone Book committee to publish our first directory in years. This one using a larger easier to read font than last time.
- I created the revised and corrected map included in the Directory.
- At the request of the Pickleball Club, I had 2 grills for public use installed in the picnic area.
- The Italian American Club was limited in the number of tables they could use for meetings. I got those restrictions removed allowing more members to attend their dinners.
- I helped indoor pool users who were blinded by the sun by having blinds installed.
- In order to guide visitors using GPS to the correct gate, I created the address of 160 Half Acre Road for the Gate House.
- To speed visitors along, I created the highly successful daily Passcode.
- I was responsible for creating more handicap spots and creating a Parking Committee to update our parking rules. Responding to resident requests, we opened un-restricted parking spots near the nurse for residents using that side of the Club House.
- I created the Committee Appreciation Dinner to honor the many residents who help us.
- I improved visibility of the Half Acre Road entrance by getting the obscuring bush removed.
- I showed the procedure allowing removal of the trees causing a dangerous sight hazard on New Castle and Whittingham Drive.
- As member of the Ad Hoc Traffic Safety Committee, I initiated the purchase and installation of new speed limit signs for the community.
- A year ago, the vast majority of voters said they want to end the confusing, time and your money wasting situation of having 2 governing boards. Our Greenbriar lawyer says it is crazy to continue with such an outdated procedure. The proposal didn't pass simply because we did not have enough time to inform and get home-owners out to vote. I am the Only incumbent candidate pledging to continue working to give you the consolidated board you want and deserve.

Current Activities

- Member of GW Friends, Italian American Club, Pickleball Club, Music Club, New Kids on the Block, Computer Club, Bocce and Volleyball. Evenings are devoted to Tracking Satellites.
- United States Air Force veteran. As a Medic I cared for people on a daily basis.
- Recipient of Mensa Lifetime Appreciation Award. Executive Board Trustee of New Jersey Mensa.
- On Executive Board of Resident Civic Club responsible for sending out our monthly program notices.
- Board liaison to Town Center Committee. Served on the Covenants Committee and Newcomers.
