THE HAAVARA AGREEMENT:

(TRANSFER AGREEMENT)

How the Nazis promoted Zionism in the 1930's

In commemoration of Kristellnacht, which
took place on November 9, 1938,

Dr. Bert Mitchel

will present the little known history of the
Transfer Agreement between the Nazi's
and the German Zionists that saved

60,000 lives. Many Jews were critical of

the agreement from the beginning. The negotiation between
the Zionist movement and official representatives of Nazi
Germany evoked much wrath. Even then the negotiations
and the Agreement were profoundly controversial in Jewish
circles.
