VII. New Business

- 2026 Indoor & Outdoor Pool contract with Millennial Pool Management for a cost of \$228,000 with options for 2027 and 2028
 - Kathy DeDonno - We have a new vendor for the indoor/outdoor pool contract. We chose this vendor out of a package of 6 proposals. We have a Board Committee of three individuals who reviewed all proposals and met with some vendors to discuss. We are going with this Company Millennial Pool Management.
 - Joe Atanasio – Our Pool Management Selection Committee was Bob Brown, Myself, Cathy and Matt. We interviewed the representative Millennial Pool Management LLC. We were quite impressed with their presentation. The company was started in 2019 and have grown considerably. The pools they service are in HOAs, active adult communities including Clearbrook, golf and country clubs and apartment complexes in 8 states and including Harrah's Hotel and Casino in Atlantic City. Their staffing will always be 3 lifeguards at the outdoor pool including 1 lead lifeguard who will be consistent to this property. One lifeguard will be assigned to the indoor pool during the hours of operations. Lifeguards will be assigned to the indoor pool during inclement weather. A pool gate monitor will be included in the 3 outdoor guards to view ID, monitor sign in and check in guests. Overlapping shifts so they can take breaks as they rotate. Lifeguards will be on site 30 minutes prior to opening. They have an app on their phone which is basically GPS tracked. They can't sign in unless they are on the property. A backup lifeguard will be on site within 30 minutes in the event of a call out. Lifeguards, technicians and Manager are local to Monroe. Lifeguard assessment will be performed twice a week. Millennial will create a playbook specific to Greenbriar.
- Whittingham Fall Planting proposal from LMS for a cost of \$9,705.91 including tax for various shrub & tree replacements throughout the community
 - Kathy DeDonno – A lot of aged vegetation that needed to be replaced. We have been doing that on the WHOA side and common areas.
- 1A Chadwick Chimney Housing replacement proposal from Biondo Contracting for a cost of \$6,875.00.
 - Matt Lubas – It looks like this roof was replaced already in 2022. I can't answer why some of the housings were not replaced at that time as I was not here. But it needs to get done as it looks like it's going to fall over.

VIII. Financial Update (Kathy DeDonno)

- Financial Reports
 - We received September's financials. We are meeting with Budget and Finance on Thursday, November 13th. At that meeting, we are going to finalize our 2026 budget and maintenance increases. There will be increases. They are tied predominately to things that are out of our control. Insurance has gone up this year, 2026, rather significantly. Our Capital Reserve contributions, all dictated or mandated by New Jersey State Law.
