Support the Arts!

Have Fun!

The Greenbriar Performing Arts Club invites you to join our group of enthusiastic and fun-loving members. We need your talents to enrich our amazing productions. If you are interested in singing, acting, dancing, writing, working behind the scenes, or simply supporting the performing arts - join PAC. No experience necessary! There is a "role" for everyone. All that is needed is your enthusiasm.

- Attend FREE workshops taught by professionals in acting, dancing, and singing as well as voice coaching.

If performance is not your thing there is a myriad of other talents needed to bring theater to life...

- Set design, wardrobe, lighting, promotion, ticket sales, etc.

Come help from the inception of a production to opening night! It is truly a rewarding experience. By becoming a member, you will be supporting the arts right here in your own community.

Membership is \$10 a year and includes discounted and advanced ticket sales. Dues are payable to PAC (Box # 25). More info call:
