As has been discussed at prior WHOA Open Board meetings, in New Jersey, 55+ communities have the ability to apply for a waiver which relieves that community of the obligation to have a lifeguard monitoring the pool. However, WHOA understands how important an on-duty lifeguard is to our community. If you choose to swim during unguarded open pool hours, you are required to have a buddy. Another adult must be at the pool area or in the pool with you. No one may swim unattended at any time. WHOA has chosen to stagger the indoor pool guards to provide all residents with options. There will be no guard at the indoor pool during the summer, at that time there will be guards at the outdoor pool during all open pool hours. This was voted on at the December 2022 Joint Open Board meeting.
