

Regina Savarese

Caring. Experienced. Committed.
FOR OUR COMMUNITY.

I also worked in corporate law at the prestigious New York Law Firm **Thatcher, Proffitt & Wood**, where attention to detail and a strong sense of responsibility were essential. I also am a **Notary Public** in the State of New Jersey.

My name is **Regina Savarese**, and I am honored to be running for a seat on the **Greenbriar Board**. I have been a resident and home owner of the **Greenbriar Community** for nine years.

Throughout my life, my experiences with people have shaped my belief that leadership is about service to the community. If elected, I will dedicate myself to working for the betterment of our residents, ensuring fairness, transparency, and a strong sense of unity within our community.

My professional career has provided me with valuable skills that I bring to the table. I had the privilege of working with **President Lawrence** and **Vice President Furmanski** of **Rutgers University**, where I was entrusted with reviewing critical articles and dossiers related to faculty tenureship—a role that required discretion, thorough analysis, and sound judgment.

In addition to my career, I devoted myself to raising a daughter and son, an experience that reinforced my values of dedication, patience, and perseverance.

Here in our community, I remain actively engaged in service. I currently serve on the **Site Review Committee** and proudly hold the role of **President of the GW Social Club**, and oversee all catering for our events. In the past, I have contributed to the **Newcomers Committee** and the **Covenants Committee**, helping to welcome new residents and uphold community standards.

These roles have given me a well-rounded understanding of our community's strengths, needs, and future potential.

If elected, I promise to bring my professional expertise, community service, and personal dedication to this role. I will always *listen, lead with integrity,* and work tirelessly on behalf of all residents.

Together, we can continue to make Greenbriar a wonderful place to live, rooted in respect, unity, and a [★]shared commitment to excellence.

I WOULD BE HONORED TO HAVE YOUR SUPPORT.
