PLAY, TOUCH, CLIMB & PAINT!

Explore 30 acres of art & nature

Founding director and sculptor, Melanie VanHouten, created Josephine Sculpture Park (JSP) in 2009 on reclaimed family farmland. JSP is a 501(c)3 nonprofit with the mission to connect people to each other and the land through the arts. It is Kentucky's only sculpture park.

Experience over 70 sculptures and murals along 2 miles of mowed trails that traverse native meadows, fields, and forests. Enhance your visit with self-guided activities available on the website.

Visit for FREE every day from dawn to dusk!

ACCESSIBILITY Mowed trails are 5-10 feet wide. Some trails are accessible by motorized wheelchair. Visitors that need mobility assistance can request to reserve a golf cart, at least 1 week in advance, on the website or by calling 502-352-7082.
